Human Resource Management Gary Dessler, 2017-01-01 *Human Resources Management, Global Edition* Gary Dessler, 2023-06-20 Human Resource Management introduces you to the daily tools and skills you'll need to function as successful managers in both HR and business in general. Using a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. With a heavy focus on emerging industry trends and the positive impacts of technology on HR, the 17th Edition prepares you with everything you need to be effective managers and HR personnel in the 21st century. [Human Resource Management](#) Gary Dessler, Biju Varkkey, 2020 Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more time to carry out strategic long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. Provided by publisher. **Human Resource Management** Derek Torrington, Laura Hall, Stephen Taylor, 2008 This text seeks to help students understand the dynamic and exciting environment of human resources, HR management, and the complex decisions that all managers must make when managing employees. **Human Resource Management** R. Wayne Mondy, Robert M. Noe, Shane R. Premeaux, Judy Bandy, 2002 Primarily for introductory undergraduate level courses in Human Resource Management. This best-selling survey of contemporary human resource management offers a balance of practical and applied material as well as underlying Human Resource Management theory. It reflects the latest information, including the impact of global competition and rapid technological advances that have accelerated trends such as shared service centers, outsourcing, and just-in-time training. A wealth of actual company examples demonstrates how concepts are being used in today's leading-edge organizations. [Human Resource Management](#) Dessler, Varkkey, 2005 Managing employee absence, maintaining a healthy work-life balance, and developing ethical and socially responsible codes of behaviour at work. Many of the most topical areas of debate in organisations are rooted in issues of human resource management. The 6th edition of this market-leading textbook provides detailed exploration and analysis of these contemporary issues, as well as providing comprehensive coverage of all the core elements of HRM.
