human side of the icon **Imagining Vernacular Histories** Mobolanle Egunoluwa Sotunsa, Abikal Borah, 2020-08-17

Imagining Vernacular Histories is centered on the idea of engaging with indigenous African cosmologies that signal at pluriversality. In conversation with Toyin Falola's reading of the African pluriverse and his exploration of the idea of ritual archives, the contributors to this volume rethink the historical archive in search of vernacular histories. Simultaneously, they recognize the contributions from various other disciplines in pluralizing the term vernacular. The book brings together a wide range of topics such as reflections on African historiography, the relationship between memory, history, and literature, gender relations, and the construction of historical archives. While appropriating Falola's conception of vernacular histories, the contributors collectively argue that pluriversality and ritual archives can potentially rescue African historical and creative scholarship from the sustained practices of epistemicide. Simultaneously, Imagining Vernacular Histories focuses on the emerging interdisciplinary conversations on constructing the pluriverse as well as on the geopolitics of knowledge production. Through a critical appreciation of Falola's engagement with the ideas of postcoloniality, decolonizing epistemologies, and pluriversality, this book locates his scholarship in relation to postcolonial theory emerging from the Global South.

Converses amb mi mateix Nelson Mandela, 2013-07-26

Nelson Mandela, una de les figures més inspiradores del nostre temps, ens ofereix ara l'oportunitat de conèixer el seu arxiu personal a través del qual ens arriba una visió sense precedents d'una vida extraordinària des de les cartes que va escriure durant les hores més fosques del seu empresonament fins als seus diaris de viatges durant les lluites antiapartheid a principis dels anys seixanta. En aquestes pàgines no hi trobarem ni una icona ni un sant sinó un home de carn i ossos. Una oportunitat per passar un temps en companyia del Nelson Mandela i sentir la seva veu d'una manera directa, clara i privada. Vaig intentar imaginar Mandela, l'home que havia canviat la història com a Mandela, l'home que tant havia sacrificat per aconseguir el canvi. Un retrat de la vessant humana de Mandela.
