

# THE **CrossFit** TRAINING GUIDE

The CrossFit Training Guide is a collection of CrossFit Journal Articles written over the last 10 years primarily by Coach Greg Glassman on the foundational movements and concepts that comprise the CrossFit methodology.

This Guide is designed to be used in conjunction with our CrossFit Level 1 Trainer Course to help you develop your training knowledge and skills, and to help you prepare for the Level 1 Trainer Test. This is an essential, not an exhaustive resource. Some of the knowledge required to pass the test comes from these articles; all other material comes directly from the two-day course.

The information contained in these articles is foundational to the CrossFit methodology, and, along with the rest of the Journal, should support any successful training venture.
