

A detailed, colorful illustration of intestinal villi, showing the internal structure of the small intestine. The villi are depicted as finger-like projections, each with a central core of capillaries and a network of fine, branching vessels. The illustration is rendered in a vibrant, almost painterly style, with a mix of blue, green, and red hues. The villi are arranged in a dense, overlapping pattern, creating a sense of depth and texture. The overall effect is one of scientific precision combined with artistic flair.
