

IKEA icon redesign idea is inspired by their logo. I find out IKEA's brand vision is to provide people with a better everyday life for everyone. Plus, the core goal of IKEA is doing it in a different way.

Unlike other furniture companies which usually use the sharp edges as their icons as a symbolization, I decide to make the icon design in a round shape.

The design principle is just comes from IKEA's brand core goal which is designing the category icons in a different way. Also, I will use thick & thin stroke to somehow represent the experiences when people ordering the furnitures.

Just like building the Lego, once you got the big block, you always need another small parts to make a compensate.
