

# Cooper 12-Minute Run Test

Name: \_\_\_\_\_ Age: \_\_\_\_\_

Examiner: \_\_\_\_\_ Date accomplished: \_\_\_\_\_

## Equipment/materials needed

- A stopwatch or a timer
- A known distance track or a treadmill

## Test procedure

1. Let the test-taker warm-up by engaging in light jogging and dynamic movements for 10-15 minutes.
2. Use a track where distances are clearly marked, or set the treadmill to a slight incline (1%) to simulate outdoor running.
3. Begin the stopwatch as the test-taker starts running. Remind the test-taker to maintain a steady pace to cover as much distance as possible in 12 minutes.
4. At the end of 12 minutes, stop the stopwatch immediately and record the total distance covered.
5. Allow the test-taker to walk for about 10 minutes to gradually lower heart rate.

**Education** Hazel M. Carter, 2022-07-22 This book explores the design and implementation of effective supplementary education programs that best prepare students for post secondary life Drawing from research and best practice in the fields of supplementary and afterschool education youth development and school college community partnerships this book outlines a balanced approach to viewing supplementary education and community based programs which when designed alongside classroom learning can meet the needs of underserved youth This book challenges aspiring educational leaders to confront the traditional approach to curriculum as the sole purview of the classroom and instead positions supplementary education as a tool to improve schools and student success Chapters discuss designing implementing and sustaining supplementary education programs that positively impact the social emotional and academic development of secondary school students as well as effective strategies for developing stronger connections with the community This text is designed for use in graduate preparation programs in educational leadership and includes pedagogical features such as learning objectives reflective exercises portfolio building activities and alignment to educational leadership standards

**Democracy and Leadership**

Eric Thomas Weber, 2013-11-25 Democracy and Leadership On Pragmatism and Virtue presents a theory of leadership drawing on insights from Plato s Republic while abandoning his authoritarianism in favor of John Dewey s democratic thought The book continues the democratic turn for the study of leadership beyond the incorporation of democratic values into old fashioned views about leading The completed democratic turn leaves behind the traditional focus on a class of special people Instead leadership is understood as a process of judicious yet courageous guidance infused with democratic values and open to all people The book proceeds in three parts beginning with definitions and an understanding of the nature of leadership in general and of democratic leadership in particular Then Part II examines four challenges for a democratic theory of leadership Finally in Part III the theory of democratic leadership is put to the test of addressing problems of poverty educational frustration and racial divides particularly aggravated in Mississippi

**Poison Ivy** Evan Mandery, 2022-10-25

Next Big Idea Book Club Nominee October 2022 An eye opening look at how America s elite colleges and suburbs help keep the rich rich making it harder than ever to fight the inequality dividing us today The front page news and the trials that followed Operation Varsity Blues were just the tip of the iceberg Poison Ivy tells the bigger seedier story of how elite colleges create paths to admission available only to the wealthy despite rhetoric to the contrary Evan Mandery reveals how tacit agreements between exclusive Ivy plus schools and white affluent suburbs create widespread de facto segregation And as a college degree continues to be the surest route to upward mobility the inequality bred in our broken higher education system is now a principal driver of skyrocketing income inequality everywhere Mandery a professor at a public college that serves low and middle income students contrasts the lip service paid to opportunity by so many elite colleges and universities with schools that actually walk the walk Weaving in shocking data and captivating interviews with students and administrators alike Poison Ivy also synthesizes fascinating insider information on everything from how students are evaluated unfair tax

breaks and questionable fundraising practices to suburban rituals testing tutoring tuition schemes and more This bold provocative indictment of America s elite colleges shows us what s at stake in a faulty system and what will be possible if we muster the collective will to transform it **The New York Times Index** ,2009 *Chapter Tests Assessment, Grade 7*
