

The background of the cover features a large iceberg floating in the ocean. The tip of the iceberg, which is above the water line, is covered in snow and has a sharp, jagged peak. The rest of the iceberg, which is much larger and submerged below the water line, is also covered in snow and ice. The water is a deep blue color. The sky is a light blue with some wispy clouds. The overall image is a metaphor for the book's content, suggesting that the visible part of the iceberg (the tip) represents the visible part of an organization, while the much larger submerged part represents the internal processes and controls that are often overlooked.
