

Mitosis Flip Book

Diagram Masters

You will complete each page to illustrate the changes that take place in a cell during cell division. The last cell in each of 6, 12 if given should show the location of the organelles at that stage. Use the same scale to show the movement of organelles between stages. Once you have completed all the diagrams, carefully cut out each page, sequence from first to last, and staple! Flip through your book to see cell division!
