Smartphone Apps for Health and Wellness John Higgins, Mathew Morico, 2023-01-06 Smartphone Apps for Health and Wellness helps readers navigate the world of smartphone apps to direct them to those which have had the best medical evidence in obtaining the user's goal. The book covers the history of apps, how they work, and specific apps to improve health and wellness in order to improve patients' outcomes. It discusses several types of apps, including apps for medical care, sleeping, relaxation, nutrition, exercise, and weight loss. In addition, sections present the features of a good app to empower readers to make their own decision when evaluating which one to use. This is a valuable resource for clinicians, physicians, researchers, and members of the biomedical field who are interested in taking advantage of smartphone apps to improve overall health and wellness of patients. Summarizes smartphone apps with the best evidence to improve health and wellness. Discusses the most important features of an app to help readers evaluate which app is appropriate for their specific needs. Presents the typical results expected when regularly using an app in order to assist healthcare providers in predicting patient outcomes.

Strength Training for Fat Loss Nick Tumminello, 2023-08-14 Lose fat. Add muscle. Look great. No fads or diets are required. Just hard work, sensible strategies, and science-based programming to achieve the results you desire. In *Strength Training for Fat Loss*, Second Edition, internationally renowned trainer Nick Tumminello provides the formula for transforming your body. He explains how to use the three Cs of metabolic strength training: circuits, combinations, and complexes to accelerate your metabolism and maximize fat loss while maintaining and even adding muscle. In this updated second edition, you'll find more than 150 exercises using barbells, dumbbells, kettlebells, machines, or just your body weight. Basic guidelines for eating sensibly to accelerate your metabolism. Over 50 ready-to-use metabolic strength workouts, color photos demonstrating the exercises at home, workouts that require minimal equipment, and beginner workouts for those new to strength training, as well as advanced exercisers. Practical and accessible, *Strength Training for Fat Loss* is your guide to creating and maintaining the physique you seek. Earn continuing education credits: units. A continuing education exam that uses this book is also available. It may be purchased separately or as part of a package that includes both the book and exam.
