Abingdon New Testament Commentary Matthew Abingdon New Testament Commentaries:

Abingdon New Testament Commentaries | John Dwight Moody Smith, 1999 In this volume Smith views the Fourth Gospel within several contexts in order to illuminate its specific purposes and achievements A growing consensus of recent scholarship including Martyn Raymond E Brown Meeks seeks the roots of this Gospel and its traditions in the conflict between Jesus followers and opponents within Judaism In their struggles Jesus followers are encouraged and strengthened by his continuing presence in the Spirit which articulates his meaning for new situations Although distinctive Johannine Christianity does not develop in complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance *Abingdon New Testament Commentary: Matthew* Donald Senior, 1998 *Abingdon New Testament Commentaries* | Matthew Donald Senior, 1998 The Abingdon New Testament Commentaries series provides compact critical commentaries on the writings of the New Testament These commentaries are written with special attention to the needs and interests of theological students but they will also be useful for students in upper level college or university settings as well as for pastors and other religious leaders In addition to providing basic information about the New Testament texts and insights into their meanings these commentaries are intended to exemplify the tasks and procedures of careful critical biblical exegesis In this volume Donald Senior unfolds the meaning of Matthew's Gospel in its original context The Gospel was written for an early Christian community caught in a moment of profound transition striving to remain faithful to its Jewish heritage and facing a new and uncertain future in the Gentile world Building on a lifetime of scholarship on this Gospel Senior uses an array of methodologies to explore the literary historical and theological perspectives of Matthew in context At the same time he provides leads for the contemporary reader to note the interplay between Matthew's Gospel and our own time and place In the nexus between these two worlds of experiences the message of the Gospel comes alive and takes on new meaning *Abingdon New Testament Commentaries: Mark* Prof. C. Clifton Black, 2011-09-01 Mark's genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God's good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus' closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable's interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self-serving and disobedient

Reading the New Testament in the Church Francis J. SDB Moloney, 2015-04-14 Internationally respected scholar Francis Moloney offers a Catholic introduction to the New Testament that shows how to read it both faithfully and critically The opening chapter and an epilogue directly address the theological requirements of and historical challenges for ecclesial reading The remaining chapters give exemplary readings of the figure of Jesus and of the various divisions of the New Testament canon Conceived as a resource for religious educators deacons and other ministers in the Catholic Church this book will serve Catholics and others as an ideal supplement to a conventional New Testament introduction or as a companion to reading the New Testament itself

Abingdon New Testament Commentaries: Luke Dr. Robert C. Tannehill, 2011-09-01 The Abingdon New Testament Commentaries series offers compact critical commentaries on the writings of the New Testament These commentaries are written with special attention to the needs and interests of theology students but they will also be useful for students in upper level college or university settings as well as for pastors and other church leaders In addition to providing basic information about the New Testament texts and insights into their meanings these commentaries exemplify the tasks and procedures of careful critical exegesis In this volume Robert C Tannehill focuses on the significance of the Gospel of Luke in its final form for its original audience Drawing on his own extensive previous work on Luke as a literary narrative as well as on recent studies of the ancient Mediterranean social world Tannehill suggests that modern readers will find that certain features of Luke s Gospel only take on significance or deeper significance when matched with an appropriate historical and cultural context in the first century This commentary is designed to meet the needs of sophisticated nonspecialist students of the Bible The evangelist s literary genius frequently displayed in multivalent diction and imagery finds in Robert Tannehill a faithful and sensitive interpreter Social scientific criticism use of cultural anthropology and frequent correction of renderings in the New Revised Standard Version appear without undue intrusiveness This is a work well done Frederick W Danker Christ Seminary Seminex Lutheran School of Theology at Chicago

Anna Case-Winters, 2015-03-18 One of the most beloved books of the New Testament the Gospel of Matthew speaks with eloquence and power Among the Gospels Matthew paints a fuller picture of the life ministry and teachings of Jesus Anna Case Winters s incisive commentary reveals that Matthew is clearly a theological book It is about God s saving work in Jesus Christ Moreover it is presented in a way that easily lends itself to the task of teaching and preaching Case Winters highlights five themes that shape the distinctive portrait of Jesus this Gospel offers Here we see Jesus facing up to conflict and controversy ministering at the margins overturning presuppositions about insiders and outsiders privileging the powerless demonstrating the authority of ethical leadership challenging allegiance to empire and pointing the way to a wider divine embrace than many dared imagine Case Winters captures the core of Matthew s unique Gospel which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles Teaching All Nations Mitzi J. Jayachitra Lalitha, 2014-05-01 That Christian missionary efforts have long gone hand in hand with European colonization and American imperialist expansion The role played in those efforts by the Great Commission the risen Christ s command to teach all nations has more often been observed than analyzed With the rise of European colonialism the Great Commission was suddenly taken up with an eschatological urgency often explicit in the founding statements of missionary societies the differentiation of teachers and nations waiting to be taught proved a ready made sacred sanction for the racialized and androcentric logics of conquest and civilization **NIVAC Bundle 6: Gospels, Acts** Michael J. Wilkins, David E. Garland, Darrell L. Bock, Gary M.
