Accounts Receivable Management Best Practices:

Accounts Receivable Management Best Practices John G. Salek, 2005-10-24 Praise for Accounts Receivable Management Best Practices An excellent reference tool on how to manage the accounts receivable process for any company The use of real life examples makes the concepts easy to understand I recommend the book to anyone who wants to improve cash flow and reduce bad debt loss Michael E Beaulieu Senior Vice President Finance Cardinal Health Rather than simply explaining how to get the greatest return from an investment in accounts receivable John G Salek reveals how companies shoot themselves in the foot when management sets policies and procedures without consideration of the impact on cash flow Accounts Receivable Management Best Practices isn't just for credit and collection professionals who often spend more time cleaning up process errors and other corporate garbage instead of managing risk It should be required reading for C level executives the sales staff operations managers and anybody whose job impacts the order to cash cycle David Schmidt Principal A2 Resources Coauthor of Power Collecting Automation for Effective Asset Management Enhancing a company's competitive profile is all about giving enough customers the right product at the right price at the right time This author's real world approach to accomplishing this goal through the prism of receivables management makes this book a must read for those companies looking to make their mark as an organization that cares about its customers as well as their own need to produce financial results Bruce C Lynn Managing Director The Financial Executives Consulting Group LLC I have worked with John Salek since 1992 both as his client and as a project manager working with his organization His knowledge of receivables management the technology the processes and the formula for success are unsurpassed in the field Stephen L Watts Manager Global Receivables retired General Electric Medical Systems Mr Salek has written a masterpiece on the intricacies and management of the accounts receivable portfolio I would recommend this book to CFOs controllers treasurers credit managers and small business owners Steve Kozack Credit Manager Lennox Hearth Products Written by an author who has been in the trenches and cites actual examples This is not written in theory but from practice Milt Dardis Collection Consultant Dardis Associates
