- 2 **Read the comments** about the TED Talk. Which one of them mentions details that show what Hill's main aim was?

Presentation comments	
1	People – The talk is so boring. I couldn't see any point. I thought it was supposed to be about how to lose less stuff.
2	Bill – It's not too long, with a really only, like, three things and a really interesting example. I think it's a nice length even for a really good speaker.
3	Steve – Good job, and especially how clear you are about what you're saying.

The comments were created for the activity.
