

ABC Electronics: An Instructional Case Illustrating Auditors' Use of Preliminary Analytical Procedures

Paul M. Christensen, CPA

In January 2017 and January 2018, students will be assigned to the 2016 audit of ABC Electronics. ABC has already filed its financial statements for the December 31, 2016, year with the SEC. Thus, these financial statements are available for the year-ended December 31, 2016, year. The 2017 year financial statements have not yet been prepared and filed. The following is a condensed financial statement for 2016.

Additional Information:

- ABC receives orders and bills sold phones and other items online.
- All sales are accounted for separately from other products and shipments (shipping separately). There are no returns for ships.
- ABC offers a cash price discount, including manufacturing discounts.
- ABC pays a professional fee for a website and advertising for each month, including the general credit card services fee. It is not a cash payment (manufacturing cost).
- The website cost is not included in the general credit card services fee (see below for details).
