101 Great, Ready-to-Use Book Lists for Children Nancy J. Keane,2012-04-13 Created in consultation with teachers and public librarians this fantastic collection of 101 ready to use book lists provides invaluable help for any educator who plans activities for children that involve using literature Nancy J Keane is the author of the award winning website Booktalks Quick and Simple nancykeane.com booktalks as well as the creator of the open collaboration wiki ATN Book Lists With 101 Great Ready to Use Book Lists for Children she provides another indispensable resource for librarians and teachers The lists in this book are the result of careful consultation with teachers and public librarians and from discussions on professional email lists These indispensable reading lists can be used in many ways for example as handouts to teachers as suggested reading to create book displays or as display posters in the library This collection will help educators support the extended reading demands of today s children

The Common Core in Action Deborah J. Jesseman,2015-06-19 This book addresses Common Core State Standard curriculum resources to assist the school librarian in collaborating with classroom teachers Librarians are being asked to understand the Common Core State Standards CCSS and their implications to programming and instruction as well as to collection development planning Using lesson plans originally published in School Library Monthly this title builds upon them adding many additional plans that address CCSS issues The plans will help you implement the standards and can also be used as stepping stones to facilitate planning conversations and collaboration with teachers to co teach lessons correlated with the standards The book begins with an overview of the CCSS what they are how are they different from the content standards and what the implications are for schools where the state has adopted them including what the CCSS mean for collection development It then goes on to explore the opportunities the CCSS present for the school librarian looking at how you can become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by curricular area or topic and grade level for ease of use
