Vitamin water is the healthy alternative to lemonade and soft drinks. But it is best to make it yourself as purchased vitamin water often contains many additives and sweeteners. Doing it yourself is also quick and easy. You can be creative with the ingredients and try different flavours. With its slightly fruity taste it is simply delicious and on hot summer days a particularly refreshing thirst quencher. At the same time you also benefit from the healthy vitamins from fruits or herbs. They flavor the water by dissolving the water soluble vitamins, antioxidants and secondary plant substances.
