always all that it's cracked up to be. Print journals are cumbersome to use. You can't easily find entries from your past and they only hold so much information. That's why more people are turning to blog journals instead. This is a truly therapeutic form of journaling that removes the burden of toting around a book and trying to enter your thoughts all correctly on the first try. A digital blog removes the problems traditional journals and offers much more for you in return. With a digital blog you can access your journal anytime from anywhere by logging in on a device. Publish them for the viewing public or keep them private without having to worry about anyone stumbling upon an entry and reading it. Just about everything we do from driving to cooking to meeting our significant others has evolved from an archaic method to something digital and convenient. That's what blogging has done for journaling. It's brought your entire self-help strategy into the 21st century and empowered you to succeed faster and easier than ever before. How many times have you started a journal and then stopped? Maybe it was out of boredom or frustration because no matter how often you wrote something down, nothing ever seemed to change. You have the opportunity to transform your entire world and it will be freeing as you embrace your strong points and shine a light on the character traits, behaviors, and actions that you know you need to alter. There are 8 strategic aspects to succeeding with an empowering blog. Recognize the healing potential it holds. Become an expert at getting people to engage on your blog posts. Utilize multi-media formats to give yourself flexibility in carving out your thoughts and messages. Turn your blog into a business at a later date if you want to take it to the next level. Whenever you think about blogging, you might assume it requires a lot of start-up funds or technologically advanced knowledge. But it's actually a very cheap and simple process anyone can do. But you can use a free blog theme on a domain you own and customize the look and feel of your blog even change it up at any time, unlike a print journal where you're stuck with whatever the store is selling until you fill it up. It doesn't matter if you have one issue you want to work on or one hundred issues. If personal development is a passion of yours and you want to initiate change from within, then a digital blog is what you need. In my new book, *Self-Empowerment Through Blogging*, you're going to learn a couple of things: A Strategic Way to Practice Blog Therapy for Personal Growth, How to Engage with a Blog Audience to Both Give and Receive Support and Guidance. It doesn't matter if you're a senior citizen man or a 20-something young woman, digital blogging is a process that works for everyone. It's so important that you not neglect your mental health and well-being. With stress levels at an all-time high, it's no wonder more people are looking for new and exciting ways to cope with their emotions. Blogging about your self-help and personal development will enable you to address your past, present, and future as you work to carve out the kind of life you've always dreamed of. [365 Blog Topic Ideas](#)

Dana Fox, 2014-11-26. It can be tough coming up with new blog topics every now and then. Do you ever just feel stuck? This book was designed to help dig you out of a blogging rut and inspire new ideas. Whether you're just getting started with your blog or you're a seasoned blogger, *365 Blog Topic Ideas For The Lifestyle Blogger Who Has Nothing to Write About* is the one book you should keep close by. Containing an entire year's worth of actual blog topics that can be adapted by a wide variety

of lifestyle blogs this easily formatted book will help you fall in love with writing all over again FROM THE AUTHOR 365 Blog Topic Ideas is a book I wrote to help you feel a little more inspired when you re feeling stuck for content You literally get an entire year s worth of ideas that you can mix in with your own regular content whenever you feel the desire My goal to help you become unstuck and spark a little creativity Being a lifestyle blogger could mean something different for many of us Some of us blog about our home lives some about cooking or beauty or fashion I tried my best to make these topics appeal to a large group of different niches and I think it s fairly easy to adapt them to your own blog demographic if you need to I also included different types of topics to help your readers get to know you and also increase the share quality of your posts because I think that both are super important in building a following as well as traffic From my research and experience certain types of posts get more shares than others so I ve made sure to include handfuls of those in this book You can jump into the book at any page in no particular order whether you re just getting started with your blog or not You can use the topics as is or even get a little creative and add your own spin on them Enjoy your blogging journey Dana Fox
