## **Pink Or Black 2 High Drama At High School:**

**Pink Or Black 2** Tishaa Khosla, 2012 *Pink or Black 2 High Drama at High School* is the much awaited sequel to the national bestseller *Pink or Black*. It is the story of Tiana and her friends as they go through the ups and downs of being teenagers in Class 10 at Hill View High boarding school. The sequel picks up where the first book left off with the group beginning a new year at the school. As the new year begins, Tiana finds that her friends are slowly beginning to behave in a strange manner around her. Especially Bella who seems to have a problem with her no matter what she does. Tiana gets sucked into all the drama that high school brings, misunderstandings, fights, and sometimes is just in the wrong place at the wrong time. Boy trouble makes her life even more complicated when Tiana finds herself caught between two boys and then a third one appears unexpectedly as the year progresses. Several new characters are introduced in this book like Tiana's cousin Tea who joins school this year. Tiana makes some new friends and finds that she enjoys their company more than the people she considered as her friends. The story follows her as she struggles to manage her social life, love life, and academic life, keeping the reader engrossed and wondering when she will figure it all out. *Pink or Black 2 High Drama at High School* is written in a light, easy-to-read tone, and the characters are relatable. The book was published by Rupa Co in 2012 and is available in paperback.

This book presents for the first time an overarching trans-Scandinavian comprehensive and comparable account of linguistic developments and practices in late modern urban contact zones. The book aims to capture the multilingual realities of all young people in urban contexts, whether they are of migrant descent or not. Taking a multi-layered approach to linguistic practices, chapters in the book include structural and phonological analyses of new linguistic practices, examine how these practices and their practitioners are perceived, and discuss the sociolinguistic potentials of speakers when constructing, challenging, and negotiating identities. The book also contains three short overview articles describing studies of multilingual practices in Sweden, Denmark, and Norway. The editors have aimed to make Scandinavian research on urban multilingualism accessible to scholars and students who don't speak Scandinavian languages and also to make a valuable
