

Contemporary Challenges for Islam and Muslim society and their solutions

Contemporary challenges facing Islam and Muslim societies are complex and multifaceted. They span social, political, economic, and cultural domains. Here's a brief overview of the contemporary challenges facing Islam and Muslim societies and potential solutions:

Sectarianism

Challenge: Division between Sunni and Shia communities leading to conflict.

Solution: Promote unity through inter-sect dialogue and shared Islamic values.

Islamophobia

Challenge: Negative stereotypes and discrimination in the West.

Solution: Increase interfaith dialogue, cultural exchange, and public education about Islam's true teachings.

Extremism and Terrorism

Challenge: Radicalization of youth by extremist groups.

Solution: Address root causes like poverty and lack of education; promote moderate interpretations of Islam.

Education and Economic Development

Challenge: Limited access to education and economic opportunities.

Solution: Invest in education, vocational training, and job creation.

Women's Rights

Challenge: Gender inequality and restrictions on women's rights.

Solution: Advocate for legal reforms ensuring equal rights while respecting Islamic principles.

Political Instability and Authoritarianism

Challenge: Oppressive regimes and political unrest.

Solution: Support democracy, rule of law, and inclusive governance.

Sharia Interpretation

Challenge: Controversy over applying traditional Islamic law in modern contexts.

Corporate Social Responsibility in Developing and Emerging Markets Onyeka Osuji, Franklin N. Ngwu, Dima Jamali, 2020
A valuable interdisciplinary resource examining the concept and effectiveness of CSR as a tool for sustainable development in emerging markets

[Contemporary Issues in Islam](#) Asma Afsaruddin, 2015-08-31 This book deals with certain hot button contemporary issues in Islam that are often the focus of public scrutiny including the Sharia jihad the caliphate women's status and interfaith relations Notably it places the discussion of these topics within a longer historical framework in order to reveal their multiple interpretations and contested applications over time Most public and some academic discourses however present the Islamic tradition as unchanging and therefore unable to respond to the modern world Such an ahistorical approach fosters the belief that Muslim and Western societies are destined to clash with one another In contrast this book allows the reader to see the diversity and transformations within Islamic thought over time Focusing on this internal diversity permits us to appreciate the scriptural and intellectual resources available within the Islamic tradition for responding to the challenges of modernity even as it interrogates and shapes modernity itself

[Islamic Ethics and the Genome Question](#), 2018-12-24 Islamic Ethics and the Genome Question is one of the very first academic works which examine the field of genomics from an Islamic perspective This twelve chapter volume presents the results from a pioneering seminar held in 2017 at the Research Center for Islamic Legislation Ethics College of Islamic Studies Hamad Bin Khalifa University in Qatar The contributors to this volume coming from different disciplines and specializations approached the key ethical questions raised by the emerging field of genomics viz the Genome Question GQ from various angles and perspectives Their shared thesis is that the breadth and depth of both the GQ and the Islamic tradition necessitate going beyond just producing quick answers in response to immediate questions In order to accommodate the complexity and wide scope of the GQ the volume included critical analyses of the ethical discourse on genomics from outside the Islamic tradition Within the Islamic tradition the contributing authors explored how the GQ can be better explored by involving insights from various disciplines including Quran exegesis Islamic jurisprudence philosophy and theology Besides its interest for researchers and students specialized in ethics bioethics and Islamic studies this volume will be a source of important information for geneticists genomicists and social scientists who are interested in the ethical discourse about genomics in the Muslim world Contributors include Arzoo Ahmed Abbas Amir Saadia Bendenia Mohammed Ghaly Mutaz al Khatib Amara Naceur Aasim I Padela Ayman Shabana Trevor Stammers Mehrunisha Suleman and Hub Zwart

Advancing the Legal Status of Women in Islamic Law Mona Samadi, 2021-05-25 Mona Samadi examines the sources of gender differences within the Islamic legal tradition and describes how Islamic law entitles individuals to justice according to their status abilities and potential In the case of men and women's capabilities the underlying principle is that they are entitled to the same rights as long as their capabilities are the same In the legal construction of women's status women have been prescribed lacking the same abilities

and capabilities as men As such their status and rights differ justifying men to be the maintainers of women By presenting the historical development of women s status and how women s legal status is debated in contemporary Muslim societies Mona Samadi convincingly provides various methods for facilitating change within the Islamic legal theory framework

Islamic Law and International Commercial Arbitration Maria Bhatti,2018-09-27 This book examines the intersection between contemporary International Commercial Arbitration and Shari a law in order to determine possible tensions that may arise between the two systems It develops evidentiary and procedural rules under Shari a as well as examining the consequences of stipulating qualifications of arbitrators based on gender and or religion The author extensively analyses the prohibition against interest riba and uncertainty gharar under Shari a and its impact on arbitration agreements arbitral awards and public policy The book also explores the prohibition against riba in light of international conventions such as the United Nations Convention on Contracts for the International Sale of Goods Case studies in the book include the Asian International Arbitration Centre formerly the Kuala Lumpur Regional Centre for Arbitration and the International Islamic Centre for Reconciliation and Arbitration as well as the Shari a Standards developed by the Accounting and Auditing Organization for Islamic Financial Institutions The book will be a valuable resource for academics students and practitioners working in the areas of Islamic law and the Islamic finance industry

Sharia Dynamics Timothy P. Daniels,2017-01-12 This multidisciplinary volume explores the role of Islamic law within the dynamic processes of postcolonial transformation nation building and social reform Here eleven international scholars examine Islamic law in several contemporary sociopolitical contexts focusing specifically on Malaysia Indonesia Pakistan China Tunisia Nigeria the United States and the International Islamic Fiqh Academy IIFA of the Organization of Islamic Cooperation OIC The contributors also address the entanglement of Islamic law and ethics with the history of Muslim religious discourses shifts toward modernity gender relations and efforts to construct exclusive or plural national communities Sharia Dynamics at once enchanting and enlightening is a must read for scholars of contemporary Islam

The Objectives of Islamic Law Rume Ahmed, Idris Nassery, Muna Tatari, 2020-07-06 Scholars thinkers and activists around the world are paying increasing attention to a legal reform method that promises to revolutionize the way people think about Islamic law Known as The Objectives of the Shari'a maqad al shari'a the theory offers a way to derive and apply new Islamic laws using an ancient methodology The theory identifies core objectives that underlie Islamic law and then looks at inherited Islamic laws to see whether they meet those objectives According to the maqad theory historical Islamic laws that meet their objectives should be retained and those that do not no matter how entrenched in practice or embedded in texts should be discarded or reformed Recently several scholars have questioned the maqad theory arguing that it is designed not to reform laws but to support existing power structures They warn that adopting the maqad wholesale would set the reform project back ensuring that inherited Islamic laws are never fully reformed to agree with contemporary values like gender egalitarianism and universal human rights

The Objectives of Islamic Law The Promises and Challenges of the Maqad al Shari'a captures the ongoing debate between proponents and skeptics of the maqad theory It raises some of the most important issues in Islamic legal debates today and lays out visions for the future of Islamic law

Islam and the Contemporary Economic Problems Sule Ahmed Gusau, 1992 **New York University Journal of International Law & Politics** New York University, International Law Society, 1979 **Transnational Law & Contemporary Problems**, 2010 **Islam and the Modern Age**, 2005 *Contemporary Issues on Public International and Comparative Law* C. C. Nweze, 2009 The book explores the broad range of legal personal social political and historical foundations of international law The book is a collective effort of qualified authors law school deans and professors national and international court judges young and old international law scholars and government lawyers from varying legal cultures across the oceans of the world representing diverse legal philosophical and corresponding practices bringing their stories to life telling tales helpful for those well acquainted with the issues Although one book of *Liber Amicorum* cannot address all the important issues in the vast arena of international law these essays provide a rich and lucid understanding of issues of modern public international and comparative law The beauty of the book lies in the fact that the issues discussed in the compendium by the diverse authors though familiar to comparatists are given perspectives different from the usual Euro American centrist standpoint that dominated the current

writings in international law The collected essays will be found most useful as an informative tool in the discovery of progressive development of international law as well as in the study of comparative legal systems The legal essays contained in this treatise on various important issues of public international and comparative law are interesting well researched and written from multi disciplinary perspectives by very well qualified legal scholars from different backgrounds and cultures of the world All the authors are exceptionally knowledgeable and experts in their chosen fields It is strongly urged that people should read these essays in order to fully appreciate the contributions of international legal scholars to world peace international development understanding and progress Nothing can be more befitting in honoring Professor Dr Christian Nwachukwu Okeke for his enormous contributions to the positive development of the legal academy nationally and internationally Professor Dr Emmanuel Omoh Esiemokhai Ph D Academic Chancellor Bosas International Law Bureau Abuja Nigeria Chima Nweze s Contemporary Issues on Public International and Comparative Law Essays in Honor of Professor Christian Nwachukwu Okeke is a magisterial work of enormous scope and depth that brings together a diverse group of internationally distinguished authors from academia government and private practice The Liber Amicorum is impressive both in range of subject matter and quality of analysis and merits the attention of scholars and global policy makers Ndiva Kofele Kale Ph D J D Professor of Law Southern Methodist University Dedman School of Law Dallas Texas Professor C N Okeke is a very fine scholar in international law He has taught the subject in Universities in Africa Europe and the United States In all these continents he has made tremendous impact on students of the subject I regard the essays as a useful epilogue to his successful career as a teacher and researcher of international law I heartily recommend the essays to all that are interested in the study of international law I have no doubt in my mind that the essays will provide a useful addition to the growing literature in international law I commend the contributors for a worthy compendium
