Mentzer John Little, 2025-05-20 Bodybuilding's foremost nonconformist and strikingly handsome intellectual Mike Mentzer rose to the top of his sport despite opposition from industry insiders like rival Schwarzenegger. Written by his close friend of two decades Mike Mentzer, *American Odysseus* chronicles Mentzer's journey in a fiercely competitive world to become one of the most iconic bodybuilders of all time. **REBEL PHILOSOPHER BODYBUILDING ICON** Mike Mentzer was a strikingly handsome man with a brilliant mind and a perfect physique, the first bodybuilder to receive a perfect score in both amateur and professional competitions. In the late 70s, Mentzer rose to the very top of his sport despite the efforts made by industry power brokers such as Arnold Schwarzenegger. He was featured in *GQ* magazine and profiled on national television. But he was also a man who wrestled with mental illness his entire life and ended up living on the streets and being sent to prison. Just when it seemed his career was over, he found it within himself to reboot his intellect and revolutionize bodybuilding training, arguing bodybuilders should not forsake their mental development in favor of developing their bodies. He became a pariah in the fitness industry, which only cared about selling supplements and other products, but a hero to legions of fans who earnestly sought truth. *Mike Mentzer American Odysseus* is the first biography of Mike Mentzer to appear in North America, written by his close friend of 21 years, John Little, one of the leading fitness researchers in North America. *Iron Man* magazine Drawing upon audio recordings, letters, diary excerpts, as well as interviews with those closest to him, this is the true story of one man who stood up to an entire industry and paid the ultimate price. **Bodybuilding for Beginners** Bill Reynolds, 1983 This book gives aspiring bodybuilders of both sexes the principles involved in using weight training and healthy nutritional practices to reshape the body. All training techniques are fully illustrated with photographs. **Bowker's Complete Video Directory**, 2000 **Current Biography Yearbook**, 1998 **Current Biography Yearbook** H.W. Whether you are a novice, an elite bodybuilder, or simply sports nutrition minded, learn how the emerging forces of the Iron Game evolved. Ultimately, the factions of this industry would grow powerful and manipulative while fighting for control over the Game. It took the running of several parallel histories on bodybuilding, nutrition, supplements, and the role of drugs to offer a complete first-time unraveling of the web of confusion and politics that still permeates the sport into the 21st century.
