## **The Mythmaker Paul And The Invention Of Christianity:**

The Mythmaker Hyam Maccoby, 1986 The author presents new arguments which support the view that Paul not Jesus was the founder of Christianity He argues that Jesus and also his immediate disciples James and Peter were life long adherents of Pharisaic Judaism Paul however was not as he claimed a native born Jew of Pharisee upbringing but came in fact from a Gentile background He maintains that it was Paul alone who created a new religion by his vision of Jesus as a Divine Saviour who died to save humanity This concept which went far beyond the messianic claims of Jesus was an amalgamation of ideas derived from Hellenistic religion especially from Gnosticism and the mystery cults Paul played a devious and adventurous political game with Jesus followers of the so called Jerusalem Church who eventually disowned him The conclusions of this historical and psychological study will come as a shock to many readers but it is nevertheless a book which cannot be ignored by anyone concerned with the foundations of our culture and society Book jacket *The Mythmaker* Hyam Maccoby, 1986

Arceno Jr, 2019-07-22 Volume 1 of the book will discuss the true gospel of Jesus as which is about the imminent coming of the Son of Man and the establishment of the universal kingdom of God on earth We will emphasize the fact that the entire ministry of Jesus as is all about the good news of the imminent fulfillment of the Son of Man prophecy and the Kingdom of God prophecy of Prophet Daniel as written in the Bible Based on the correct context and interpretation the Son of Man mentioned by Jesus as refers to Prophet Muhammad saw and the kingdom of God refers to Islam Volume 2 will discuss about the fulfillment of the Seventy Weeks prophecy of Prophet Daniel as This prophecy is actually a countdown to know the year Jesus as and Muhammad saw will come on earth Jesus as is expected to arrive in the sixty ninth week of the countdown and Prophet Muhammad saw will arrive in the seventieth week of the countdown Its exact fulfillment in history such as the year of their birth the starting year of their ministry and the year their messianic mission will be accomplished is a miracle or sign from God Almighty Qur an 20 133 and a clear evidence Qur an 61 6 attesting the veracity of the prophethood of both Jesus as and Muhammad saw This will explain to us why there were Jews in Judea who knew what time or year Jesus as will arrive on earth and why there were Jews in Yathrib Arabia who knew what time or year Muhammad saw will emerge as Messenger of God *The Apostle Paul in the Jewish Imagination* Daniel R. Langton, 2010-03-22 The Apostle Paul in the Jewish Imagination is a pioneering multidisciplinary examination of Jewish perspectives on Paul of Tarsus Here the views of individual Jewish theologians religious leaders and biblical scholars of the last 150 years together with artistic literary philosophical and psychoanalytical approaches are set alongside popular cultural attitudes Few Jews historically speaking have engaged with the first century Apostle to the Gentiles The modern period has witnessed a burgeoning interest in this topic however with treatments reflecting profound concerns about the nature of Jewish authenticity and the developing intercourse between Jews and Christians In exploring these issues Jewish

commentators have presented Paul in a number of apparently contradictory ways The Apostle Paul in the Jewish Imagination represents an important contribution to Jewish cultural studies and to the study of Jewish Christian relations **Paul as a Problem in History and Culture** Patrick Gray,2016-04-19 As one of the most significant figures in the history of Western civilization the apostle Paul has influenced and inspired countless individuals and institutions But for some he holds a controversial place in Christianity This engaging book explores why many people have been wary of Paul and what their criticisms reveal about the church and the broader culture Patrick Gray brings intellectual and cultural history into conversation with study of the New Testament providing a balanced account and assessment of widespread antipathy to Paul and exploring what the controversy tells us about ourselves **Paul of Tarsus: Apostle to the Gentiles** , Cross Purposes Anthony Bartlett,2018-09-20 This seminal study of the Christian theory of the atonement examines the story of Christian violence In Cross Purposes Anthony Bartlett claims that the key Western doctrines of atonement have been dominated by a logic of violence and sacrifice as a means of salvation Subsequently the graphic suffering of the crucified in images and narrative has served to unleash a prolonged sacrificial crisis in which there is always a potential need to displace blame These doctrines of atonement have sanctioned wide spread violence in the name of Christ throughout history But Bartlett argues that a minority tradition also exists He contends that the tradition of the compassion of Christ provides the possible way out of Christian violence Bartlett s study gives this tradition a dynamic new reading showing how it undoes both divine and human violence and offers a powerfully transformative version of atonement for the contemporary world Cross Purposes provides a rich historical and theological overview of the evolution of various atonement theories using literature art and philosophy to provide a creative and provocative reading of Christian atonement Anthony Bartlett is engaged in post doctoral research and is an instructor in Religion at Syracuse University For Seminarians clergy graduate students professors The Cradle, the Cross, and the Crown Andreas J. **God and the Fascists** Karlheinz Deschner, 2013 Now available in English for the first time a controversial work that indicts the Vatican for its actions before and during World War II B In the decade preceding the outbreak of World War II the Vatican made a devil s bargain with fascist leaders Anticipating that their regimes would eliminate a common enemy namely Marxist Leninist communism two popes essentially collaborated with Hitler Mussolini and the fascist dictators in Spain Franco and Croatia Pavelic This is the damning indictment of this well researched polemic which for almost five decades in Germany has sparked controversy outrage and furious debate Now it is available in English for the first time Many will dismiss Deschner who himself was raised and educated in a pious Catholic tradition as someone who is obsessed with exposing the failings of the church of his upbringing But he has marshaled so many facts and presented them with such painstaking care that his accusations cannot easily be ignored The sheer weight of the evidence that he has brought together in this book raises a host of questions about a powerful institution that continues to exercise political influen

**God and His Demons** Michael Parenti, 2010-03-23 A noted author and activist brings his critical acumen and rhetorical skills to bear in this polemic against the dark side of religion Unlike some popular works by stridently outspoken atheists this

is not a blanket condemnation of all believers Rather the author s focus is the heartless exploitation of faithful followers by those in power as well as sectarian intolerance the violence against heretics and nonbelievers and the reactionary political and economic collusion that has often prevailed between the upper echelons of church and state Parenti notes the deleterious effects of past theocracies and the threat to our freedoms posed by present day fundamentalists and theocratic reactionaries He discusses how socially conscious and egalitarian minded liberal religionists have often been isolated and marginalized by their more conservative and better financed coreligionists Finally he documents the growing strength of secular freethinkers who are doing battle against the intolerant theocratic usurpers in public life Historically anchored yet sharply focused on the contemporary scene this eloquent indictment of religion s dangers will be welcomed by committed secular laypersons and progressive religionists alike
