American Positivism Greg Gilson, Irving Levinson, 2013 Latin American Positivism Theory and Practice examines the role of positivism in the intellectual and political life of three major nations Colombia Brazil and Mexico In doing so the authors first focus on the intellectual linkages and distinctions between Latin American positivists and their European counterparts Also they examine the impact of positivist theory on the political cultures of these nations and the more significant impact of the political and socio economic cultures of those states upon positivist thought Rather than asserting that the positivist

movement was a moving force that reformatted many Latin American modalities the authors demonstrate that the dynamics of nineteenth and twentieth century Latin American societies altered positivism to a greater extent that the positivists altered these nations

The Age of Atlantic Revolution Patrick Griffin, 2023-05-16 A bold new account of the Age of Revolution one of the most complex and vast transformations in human history A fresh and illuminating framework for understanding our past and imagining our future Powerfully argued and engagingly written Patrick Griffin s timely account of revolutionary regime change and reaction shows how a world of empires became our world of nation states Peter S Onuf coauthor of *Most Blessed of the Patriarchs* When we speak of an age of revolution what do we mean In this synoptic compelling book Patrick Griffin asks the difficult questions and invites readers to reconsider the answers Eliga Gould author of *Among the Powers of the Earth* The Age of Atlantic Revolution was a defining moment in western history Our understanding of rights of what makes the individual an individual of how to define a citizen versus a subject of what states should or should not do of how labor politics and trade would be organized of the relationship between the church and the state and of our attachment to the nation all derive from this period c 1750 1850 Historian Patrick Griffin shows that the Age of Atlantic Revolution was rooted in how people in an interconnected world struggled through violence liberation and war to reimagine themselves and sovereignty Tying together the revolutions crises and conflicts that undid British North America transformed France created Haiti overturned Latin America challenged Britain and Europe vexed Ireland and marginalized West Africa Griffin tells a transnational tale of how empires became nations and how our world came into being

The History and Politics of Latin American Theology Mario I. Aguilar, 2007 Explores the contributions of major Latin American theologians to the intellectual and pastoral discussion of Christian involvement in contemporary politics This work examines a changed ecclesial setting and the new theological and political challenges for Latin American theology **Base Ecumenism** Raimundo C. Barreto, 2025-06-24 In this book Raimundo Barreto examines ecumenical initiatives that have emerged from the people from the bases in conversation with interchurch ecumenical work Revisiting grassroots developments in Latin America such as the Church and Society movement of the 1950s and the Base Christian Communities of the 1970s this book expands the concept of base ecumenism by engaging independent and Pentecostal communities in a religiously pluralistic Latin America Barreto compares base ecumenism with similar initiatives in the history of the modern ecumenical movement arguing that base ecumenism contributes fresh and renewing insights to this era of world Christianity Paying special attention to the Popular Reading of the Bible movement Barreto highlights the agency of women racially minoritized groups and young people **Vanderbilt E-journal of Luso-Hispanic Studies**, 2004 *NACLA Report on the Americas*, 1991 Mexico in the Age of Proposals, 1821-1853 Will Fowler, 1998-11-19 This book is a study of the political development of the many factions that surfaced in Mexico from the achievement of independence in 1821 to General Antonio Lopez de Santa Anna's last government in 1853 55 Paying particular attention to the writings of the main thinkers of the period and the ways in which they inspired or were betrayed by their respective factions this volume concentrates on the evolution of the different factions traditionalists moderates radicals and santanistas who sustained their beliefs at one point or another It follows a chronological approach and puts significant emphasis to the way the hopes of the 1820s degenerated into the despair of the 1840s and how these in turn affected the evolution of the different factions political proposals Political proposals and ideologies were important in independent Mexico it was an age of proposals Various constitutional projects were proposed discussed attempted or dismissed This study offers a comprehensive analysis of how the generalized liberal principles of early republican Mexico became fractured into numerous conflicting political proposals and movements In response to the ever changing political landscape of the new nation the emergent Mexican political class was prevented from achieving the ever evasive constitutional order unity progress and stability all dreamed of experiencing when General Agustin de Iturbide marched into Mexico City on September 27 1821 Appendices with a glossary chronologies and description of major personalities are included **Brodie's Report** Jorge Luis Borges, 2000 The art of writing is mysterious the opinions we hold are ephemeral In these eleven short stories the quality of his inspiration is unmistakable With their deceptively simple almost laconic style they achieve a magical impression that is unrivalled in modern writing **Debating the Nation** Carla M. Faini, 1997 Manusya, 2003 **The World Book Encyclopedia**, 1994 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students **Pizarro and the Conquest of the Incan Empire in World History** Richard Worth, 2000 Traces the history of the Spanish conquest of the Incas in Peru
