The Presidents Club Nancy Gibbs, Michael Duffy, 2012-04-17 Examines presidential power within the context of U S history and the ongoing relationships presidents and ex presidents formed with one another *TIME JFK* David Von Drehle, The Editors of TIME, 2017-05-12 John F Kennedy spent less than three years in the Oval Office and it has been more than five decades since his assassination Yet in public opinion polls he is consistently rated one of the country s top presidents JFK entered the White House at a time of mounting global and domestic tensions and showed himself to be a decisive leader He faced down the Russians He tamed Big Steel He inspired Americans with his oratory promoting public service civil rights and the belief that the United States could send a man to the moon JFK was the man for the moment He ushered in the American Century and prepared the nation for its new role as a world superpower **Grand Strategy in Theory and Practice** William C. Martel, 2015-01-12 This book explores fundamental questions about grand strategy as it has evolved across generations and countries It provides an overview of the ancient era of grand strategy and a detailed discussion of its philosophical military and economic foundations in the modern era The author investigates these aspects through the lenses of four approaches those of historians social scientists practitioners and military strategists The main goal is to provide contemporary policy makers and scholars with a historic and analytic framework in which to evaluate and conduct grand strategy By providing greater analytical clarity about grand strategy and describing its nature and its utility for the state this book presents a comprehensive theory on the practice of grand strategy in order to articulate the United States past present and future purpose and position on the world stage **Jimmy and Rosalynn Carter** E. Stanly Godbold, Jr., 2022 This dual biography of Jimmy and Rosalynn Carter the thirty ninth President and the First Lady chronicles their personal and professional relationships and their business and political successes The second volume of their dramatic story is filled with the emotional and political ups and downs of their lives as they managed a large family attempted to use their presidency to bring peace human rights and justice to all peoples of the world and dedicated the remainder of their long lives to making a safer more caring world The President and the Apprentice Irwin F. Gellman, 2015-07-28 More than half a century after Eisenhower left office the history of his presidency is so clouded by myth partisanship and outright fraud that most people have little understanding of how Ike s administration worked or what it accomplished We know or think we know that Eisenhower distrusted his vice president Richard Nixon and kept him at arm s length that he did little to advance civil rights that he sat by as Joseph McCarthy s reckless anticommunist campaign threatened to wreck his administration and that he planned the disastrous 1961 Bay of Pigs invasion of Cuba None of this is true The President and the Apprentice reveals a different Eisenhower and a different Nixon Ike trusted and relied on Nixon sending him on many sensitive overseas missions Eisenhower not Truman desegregated the military Eisenhower and Nixon not Lyndon Johnson pushed the Civil Rights Act of 1957 through the Senate Eisenhower was determined to bring down McCarthy and did so Nixon never contrary to recent

accounts saw a psychotherapist but while Ike was recovering from his heart attack in 1955 Nixon was overworked overanxious overmedicated and at the limits of his ability to function [U.C.
