The Perfect Wave Heinrich P s,2014-02-25 Almost weightless and able to pass through the densest materials with ease neutrinos may offer answers to questions ranging from relativity and quantum mechanics to more radical theories about dark energy and supersymmetry Heinrich P s serves as our fluent guide to a particle world that tests the boundaries of space time and human knowledge

101 Quantum Questions Kenneth William Ford,2011-07-15 This reader friendly richly illustrated book provides an engaging overview of quantum physics from big ideas like probability and uncertainty and conservation laws to the behavior of quarks and photons and neutrinos and on to explanations of how a laser works and why black holes evaporate

Decoding the Human Body-Field Peter H. Fraser,Harry Massey,2008-03-20 A revolutionary system that reestablishes the proper flow of information to the body s energetic fields to promote health Presents a new integrative model of the energetic physiology of the human body the human body field and its influence on health Shows that a root cause of disease is due to information blockages in the body field Introduces Infoceuticals liquid remedies that help the human body field process vital information to engage the physical body s self healing abilities After decades of research Peter Fraser has formulated a system that unites the meridian system of traditional Chinese medicine with quantum wave theory to provide the first comprehensive link between the human body s biochemistry and bioenergetics He explains that we each have a body field based on twelve meridian like channels that process and coordinate information throughout the body and that our health depends on the proper flow and communication of information through these channels In *Decoding the Human Body Field* Fraser and Massey describe in detail their revolutionary Nutri Energetics System which uses Infoceuticals liquids infused with organic colloidal minerals that are imprinted with corrective quantum electrodynamic information to remedy distortions and blockages in the information flow of the body field The imprinted information acts as a magnetic signpost to engage the body s self healing ability
