The Sex Seminar Joseph Maldonado, Lynn Maldonado, IAM Center LLC, 2014-07-18 Welcome to Sex with a capital S In their ground breaking book The Sex Seminar Are you ready for the Red Pill Joseph and Lynn take you and eighteen unsuspecting participants on a ride of the ages Join them as they travel through time exploring and shattering the myths that have confined the limitless energy called SEX From one end of the planet to the other they ll uncover the virginal territories of the What and Why of Sex rather than the traditional how to Their liber8ing hardcore methods and refreshing thong in cheek attitudes will fascinate and arouse you Here s a sneak peek at what the participants had to say As a young girl I was taught to repress my sexuality it was shameful to be sexy As a result I had a breast reduction at the age of 20 My reasoning at the time was that my breasts didn t suit my body but after doing the Sex Seminar I discovered the real reason The seminar changed the way I see myself I am a sexual being and that is a beautiful thing I recommend this book to anyone who wants to create more freedom in their life sexually or otherwise I had a real breakthrough in the sex seminar that had been about 8 years in the making I learned how much I didn t actually know about sex and just how expansive sex truly is My whole sex life or I should really just say my whole life has had a huge shift I m experiencing and exploring real intimacy for the first time in my life There s always more work to do and I m really excited to keep doing it Pun intended It has been one year since the seminar and the person I was then compared to who I am now is unrecognizable The seminar couldn t have come at a better time for me it truly did change the direction of my journey in this crazy beautiful thing we call life The seminar showed me that life is Sex energy All that I do is connected to this energy my choices actions reactions interactions are all a mirror reflection of how I perceive and be in the world The sex seminar made me aware of the shame I had accumulated in my past I was raised in 9 different foster homes I truly believed that I was a burden to the world and all of my actions reflected this it wasn t until I worked with Lynn and Joseph that I realized I had been lying to myself I will forever be thankful for what I have learned and invite all of you to start your journey through this book You will not regret a moment of it Thank you Lynn and Joseph for everything without you I don t think I would have ever known the true meaning of living a fulfilled life I wish this gift upon everyone Thanks to the sex seminar and all of the tools I have learnt and the support I have felt I am so grateful for Lynn Joseph and the seminar they worked so hard to create The gifts I have received are little miracles and I cherish every one I walked into that seminar sexually insecure shy embarrassed of myself and my lack of sexiness Consistently comparing myself to others and to society s ideal of what sexy means I left that seminar feeling empowered and confident I now have the knowledge to understand sexual energy I m finally starting to understand myself my body and my personal love life Life changing transforming this was the result of attending the Sex Seminar I came into it with a fairly narrow view I left with a much broader perspective on life and the energy that surrounds it I will forever be thankful for what I have learned and invite all of you to start your journey through this book You will not regret a moment of it About the

The Sex Bible Susan Crain Bakos,2008-08-01 The Sex Bible is an authoritative comprehensive and beautifully photographed sex resource book that provides in depth treatment of sexual topics in frank detail The book is arranged into different sections for example Foreplay Sex Toys Oral Sex It explores sexual subjects you are either familiar with or until now never even knew existed Couples will be captivated by personal anecdotes interspersed throughout Illustrated with full color photography The Sex Bible will not only educate its readers but help heighten sexual enjoyment *Sex and the Sexual during People's Leisure and Tourism Experiences* Neil Carr,Yaniv Poria,2010-05-11 Sex and the sexual have for far too long been consigned to the dark corners by social scientists in general and tourism and leisure scholars in particular Sex and the Sexual During People s Leisure and Tourism Experiences seeks to begin to rectify this situation by bringing the position and nature of sex and the sexual into the light of academic debate As such this book is designed to highlight cross disciplinary emerging work on sex and the sexual in leisure and tourism and provide the readers with insights into this social realm It encompasses a broad array of sex related issues and tourism and leisure environments from across a variety of countries The book should appeal to researchers and students across the humanities and social sciences both for the value of the research in its own right and the ability of it to be used as a lens through which to view the position of sex and the sexual as well as tourism and leisure in today s world Overall it is argued that sex and the sexual should play a part in the academic discourse especially if we wish to describe what is actually happening out there as far as tourism and leisure are concerned The Sexual Murderer Eric Beaugard,Melissa Martineau,2016-10-04 Sexual homicide continues to be one of the most widely reported and sensationalised forms of murder attracting fascination from the public and scholars alike Despite this continued interest few empirical studies have been conducted on this particular form of sexual crime The Sexual Murderer provides an analytical review of the state of knowledge on the sexual murderer and his offense and presents new data that confronts some of the accepted ideas and myths surrounding this type of homicide The authors draw on original data stemming from both offenders and the police to present an exhaustive and accurate picture of the sexual murderer and his offense and compare the sex offenders who do kill with sex offenders who despite being very violent do not Each chapter includes a section on the practical implications of the findings and what the findings mean for professionals working with these cases and for the criminal justice system This book explores themes including the role of fantasies paraphilias and personality

criminal career context of the crime journey to murder modus operandi and crime scene sex trade workers avoiding detection body disposal pathways and whether we can predict sexual homicide occurrence This book is a comprehensive resource for academic and professionals involved in sexual homicide cases such as psychologists psychiatrists investigators and profilers as well as individuals working in the field of sexual violence This book will also be of interest to students taking courses on homicide sexual homicide and serial homicide
