In what might have been the middle ages, had neither Alexander the Great nor Jesus the prophet died young, the Greek State is a powerful economic force in southern Europe, and slavery is a profitable and well-entrenched social institution. Nygell, a Lord of the Northern Isles, is given the gift of a Grecian slave by the King. Nygell wants no such responsibility.

A homoerotic romance. Set in an alternate universe with institutionalized slavery, thus consent is by nature dubious at best. Elements of BDSM.
