Fer, 2001 Written by residents and interns at Washington University, this small pocket book contains all the essentials that every intern needs to know from day 1 on the wards. It presents practical must-have information from the front lines of the wards in an easy-to-use quick-reference format. The book brings together in one condensed source all the most important pearls from other manuals, including ACLS algorithms, useful formulas, patient notes, top ten workups, common calls,

complaints, and key points on the most common problems. Content includes vital pointers on what not to miss when to refer, call for help, triage, cross-covering, and tricks of the trade. The Washington Manual is a registered mark belonging to Washington University in St. Louis, to which international legal protection applies. The mark is used in this publication by LWW under license from Washington University.
