Simmons, 1997 Essek William Kenyon 1867 1948 has virtually escaped scholarly notice and yet his influence on the twentieth century church is profound Of particular note is Kenyon s influence on William Durham that apparently led to the first major split in Pentecostalism Kenyon s own evangelistic work was thoroughly interdenominational touching every major Protestant denomination of his day E W Kenyon and the Postbellum Pursuit of Peace Power and Plenty is the most comprehensive biography of Kenyon available today It explores his influence on the Pentecostal Charismatic movements and likewise illuminates the practice of intuition and mysticism from which the 20th century message of peace power and plenty emerged Contains nine black and white photographs bibliography and index

Thinking in the Spirit Douglas Jacobsen, 2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement s most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world

Prosper Your Soul, Beloved

Vicki Heymann,2020-12-03 Beloved I pray that you may prosper in all things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book s title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out [Catalog of Copyright Entries.
