Tourism eBook GURMEET SINGH DANG, **Death in Glacier National Park** Randi Minetor, 2026-02-17 Adventures in the wilderness can be dramatic and deadly Glacier National Park's death records date back to January 1913 when a man froze to death while snowshoeing between Cut Bank and St Mary All told 260 people have died or are presumed to have died in the park during the first hundred years of its existence One man fell into a crevasse on East Gunsight Peak while skiing its steep north face and another died while moonlight biking on the Sun Road A man left his wife and five children at the Apgar picnic area and disappeared on Lake McDonald His boat was found halfway up the west shore wedged between rocks with the propeller stuck in gravel Collected here are some the most gripping accounts in park history of these unfortunate events caused by natural forces or human folly **Music Education in Rural America** Daniel C. Johnson, 2026-03-24 This two volume publication is the first of its kind advancing asset based policies and practices in music education for nearly 10 million rural students nationwide By exploring the influence of urban normativity and historical trends the authors advocate for school music programs that sustain rural values interests communities and ecosystems While earlier research has offered insights on the topic none have assembled a collection of experts and scholars committed to promoting an asset based view of rural music education in the United States Volume I Policies and Perspectives presents ten chapters addressing a range of issues that affect one fifth of K 12 students nationwide Ideas encompass a multi dimensional definition of rurality that includes population landscape and sociocultural contexts The authors offer their own first hand perspectives to describe the importance and character of rural places themselves Throughlines of this volume are disentangling assumptions about rural schools and their resources pedagogical potential and musical possibilities Written for music educators scholars policymakers school administrators and music teacher educators this volume affirms that geography is not inherently a limitation and that all students deserve access to responsive music education regardless of their zip codes **The Future of America's National Parks** Dirk Kempthorne, 2007 To conserve the scenery and the natural and historic objects and the wildlife therein and to provide for the enjoyment of the same in such manner by such means as will leave them unimpaired for the enjoyment of future generations The National Park Service Organic Act August 25 1916 Page 4 of cover **Recreation Fees in the National Park Service** , 1996 *The Beaver & the Bald Eagle* Adam Rogers, 2026-03-02 The Beaver and the Bald Eagle explores the growing divide between Canada and the United States two nations that appear similar on the surface but are increasingly shaped by different values institutions and social contracts Drawing on the author's life on both sides of the border a 25 year career with the United Nations and original survey data the book blends personal narrative with sharp comparative analysis Rogers draws on journalistic observations insights from comparative politics and sociology and an original survey to examine differences and similarities between the US and Canada across a variety of areas including governance immigration healthcare sports education business and the environment Beyond an astute comparison the book is

also a deep reflection on how institutions values myths and policies make a national culture community and ultimately a country Daniel Naujoks School of International and Public Affairs Columbia University An engaging exploration of democracy identity and institutional design told through the lens of two closely linked countries Its lessons extend well beyond North America Helen Clark former Prime Minister of New Zealand Why and how are the USA and Canada such different places Part memoir part study in comparative politics this book describes how institutions both shape and reflect very different underlying deep cultural currents in the two countries A compelling and insightful read Matthew Mulford London School of Economics and Political Science Rogers provides the analytical frame I ve been searching for turning everyday observations into clear compelling insights about two nations I deeply admire Thomas Barker University of Alberta The Beaver and the Bald Eagle is a timely way to explore and better understand both countries told in a style and with a touch that only Adam Rogers could provide Chris Fiscus Arizona State University

Easter Island John Loret, John T. Tanacredi, 2012-12-06
Easter Island a World Heritage Site is still after over 50 years since Thor Heyerdahl s work on the island a fascinating area to explore and learn about a culture that has only remnants remaining while documenting a marine ecology still mostly unknown Easter Island Scientific Exploration into the World s Environmental Problems in Microcosm presents the research results from three years of interdisciplinary expeditions to Easter Island The primary objectives were to investigate the effects of human population growth on the ecology of the island and to discover whether any dramatic climatic changes such as a prolonged El Ni o could have disrupted the island s fragile ecosystem The interdisciplinary scientific team were mainly researching the paleontology archaeology climatology and geophysics of the island This book now brings together the results of the three expeditions identifies new areas of research and hopefully will continue to inspire aspiring scientists to revisit this amazing island to explore and demystify this timeless enigma of human history
