The Trouble With Tomboys

Robert R. Redfield

The Trouble With Tomboys:

The Trouble With Tomboys Linda Kage,2010-08-06 THE TOMBOY Pilot B J Gilmore is Tommy Creek Texas s tough tomboy who loves to fly planes and gamble and doesn t give a whip what anyone thinks or says about her until Grady Rawlings steps into her life PLUS THE WIDOWER Heir to an oil dynasty Grady has inner demons to battle Ever since his wife and unborn child died two and half years ago he s developed a deep seated hatred for sympathy and can t handle anyone feeling sorry for him or treating him like some pitiful widower EQUALS TROUBLE IN TEXAS Grady hires B J s plane service to fly him to Houston for an overnight business trip While there she coaxes him into accompanying her to a late dinner where she decides it s time for him to move on with his life A month later she turns up pregnant with his baby and neither of them is prepared for the chaos that follows *Sissies and Tomboys* Matthew Rottnek,1999-05 In 1973 homosexuality was officially depathologized with a revision in the Diagnostic and Statistical Manual of Psychiatry In 1980 a new diagnosis appeared Gender Identity Disorder of Childhood GID The shift separated gender from sexuality while it simultaneously reinforced traditional concepts of male and female and made it possible for cross gendered behavior and or identification to be deemed psychiatric illness What is the difference then between a child being called a sissy on the playground and being labeled with a disorder in a psychiatric hospital Combining theory and personal narrative this volume interrogates the meaning of the normal that pervades the literature on GID and investigates the theoretical underpinnings of the diagnosis *Sissies and Tomboys* considers how the stigma of illness influences a child s development and what homosexual childhood freed from the constraints of conventionally acceptable gender expression might look like *The Problem with Boys' Education* Wayne Martino,Michael D. Kehler,Marcus B. Weaver-Hightower,2009-08-03 *The Problem with Boys Education Beyond the Backlash* offers an illuminating analysis of the theories politics and realities of boys education around the world providing an insightful and often disturbing account of various educational systems successes and failings in fostering intellectual and social growth in male students *Human Sexuality and its Problems* John Bancroft,2008-12-29 Prepared by one of the world s leading authorities *Human Sexuality and its Problems* remains the foremost comprehensive reference in the field Now available in a larger format this classic volume continues to address the neurophysiological psychological and socio cultural aspects of human sexuality and how they interact Fully updated throughout the new edition places a greater emphasis on theory and its role in sex research and draws on the latest global research to review the clinical management of problematic sexuality providing clear practical guidelines for clinical intervention Clearly written this highly accessible volume now includes a new chapter on the role of theory and separate chapters on sexual differentiation and gender identity development transgender and gender non conformity and HIV AIDS and other sexually transmitted diseases *Human Sexuality and its Problems* fills a gap in the literature for academics interested in human sexuality from an interdisciplinary perspective as well as health professionals involved in the management of sexual problems Long awaited new edition of the definitive reference text on

human sexuality Addresses the neurophysiological psychological and socio cultural aspects of human sexuality and how they interact Examines the normal sexual experience and covers the various ways in which sex can be problematic including dysfunctional out of control high risk and illegal sexual behaviour Reviews the clinical management of problematic sexuality and provides clear practical guidelines for clinical intervention Presents a broad cross disciplinary perspective of the subject area making the book suitable for all professionals involved in the field Presents a more theoretical approach to the study of human sexuality reflecting recent changes in research Includes a section on brain imaging to demonstrate the latest research findings in sexual arousal and to compare and contrast individuals with normal and low levels of sexual desire Discusses the use of sex as a mood regulator and the importance of current research in this area Discusses the impact on the internet on the modern sexual world Explores the relevance of transgender and gender non conformity Contains a chapter on HIV and AIDS and other sexually transmitted infections Chapter on therapy fully updated to reflect the movement towards integration of psychological and pharmacological approaches to management Explores the complex relationships between anger sexual arousal and sexual violence

The Trouble with Normal Mary Louise Adams, 1997-01-01 In the years after the Second World War economic and social factors combined to produce an intense concern over the sexual development and behaviour of young people In a context where heterosexuality and normality were understood to be synonymous and assumed to be necessary for social and national stability teenagers were the target of a range of materials and practices meant to turn young people into proper heterosexuals In this study Mary Louise Adams explores discourses about youth and their place in the production and reproduction of heterosexual norms She examines debates over juvenile delinquency indecent literature and sex education to show not why heterosexuality became a peculiar obsession in English Canada following the Second World War as much as how it came to hold such sway Drawing on feminist theory cultural studies and lesbian gay studies *The Trouble with Normal* is the first Canadian study of youth as a sexual and moral category Adams looks not only at sexual material aimed at teenagers but also at sexual discourses generally for what they had to say about young people and for the ways in which youth as a concept made those discourses work She argues that postwar insecurities about young people narrowed the sexual possibilities of both young people and adults While much of the recent history of sexuality examines sexuality from the margins *The Trouble with Normal* is firmly committed to examining the centre to unpacking normality itself As the first book length study of the history of sexuality in postwar Canada it will make an important contribution to the growing international literature on sexual regulation

The Trouble with Catherine Andes Hruby, 2003-06 Catherine Lacey a fishmonger in New York City s Fulton Fish Market on the wrong side of 20 has decided it s time to get married Steve a lawyer has proposed and as Catherine descends into a world of engagement parties and dress fittings all the while juggling mind numbing corporate functions she begins to wonder Do I truly love the man I m going to marry At once witty thoughtful and acutely observed *The Trouble With Catherine* is a story of one woman s liberating journey through the minefields of love
