The Queen Of Water Laura Resau:

The Queen of Water Laura Resau, Maria Virginia Farinango, 2012-03-13 For fans of I Am Malala comes this poignant novel based on the true story of one girl's unforgettable journey to self-discovery. An ALA Amelia Bloomer Selection. An ALA YALSA Best Fiction for Young Adults. Book Born in an Andean village in Ecuador, Virginia lives with her family in a small earthen-walled dwelling. In her Indigenous community, it is not uncommon to work in the fields all day, even as a child, or to be called a *longa tonta* (stupid Indian) by members of the privileged class of mestizos or Spanish descendants. When seven-year-old Virginia is taken from her home to be a servant to a mestizo couple, she has no idea what the future holds. In this poignant novel based on her own story, the inspiring Maria Virginia Farinango has collaborated with acclaimed author Laura Resau to recount one girl's unforgettable journey to find her place in the world. It will make you laugh and cry, and ultimately, it will fill you with hope.

Reading for Action Ashley S. Boyd, Janine J. Darragh, 2019-06-05 This book illustrates how teachers can draw upon young adult literature to facilitate students' social action. Each chapter centers on one novel that represents a contemporary topic, including police brutality, women's rights, ecojustice, and bullying. In each, authors provide pre-reading and after-reading strategies for teaching that connect the social issues in the texts to students' lives and to the world around them. They then offer a multitude of avenues for student action, emphasizing the need to move readers from understanding and awareness to asserting their own agency and capacities to effect change in their local, national, and global communities. In addition to methods for scaffolding students' analysis of texts and topics, authors also offer a plethora of additional resources, such as documentaries, canonical companions for study, connected music, and supplementary lesson plans. **Statement**

, 2010 **Literature for Today's Young Adults** Alleen Nilsen, Alleen Pace Nilsen, James Blasingame, Kenneth L.

Donelson, Don L. F. Nilsen, 2013-11-01 The number one book in the field, *Literature for Today's Young Adults* helps teachers learn how to motivate teenagers to become life-long readers, and now features the voices of two new co-authors and ten of the authors' Ph.D. students in a thorough update of critical topics and ideas. A comprehensive, reader-friendly introduction to young adult literature, this book provides a look at YA literature framed within a literary, historical, and social context. Using this guide, teachers see how to evaluate books of all genres, from poetry and nonfiction to fantasies, drama, the supernatural, adventure, sports, mysteries, science fiction, graphic novels, and more. Long respected as the leading textbook in university English departments, colleges of education, and schools of library science, this new edition is even more accessible than its predecessors and includes a number of updated topics of interest to a variety of audiences: teachers of English, reading, social studies, and ESL, as well as librarians, parents, counselors, and other group leaders. The challenges of using Young Adult literature with English Language Learners is explored, while one full chapter deals with Digital and Other New Literacies for Teachers and Librarians. New Ch. 3 and the final chapter 12 focus on the increasingly important topic of censorship. **The**
