Line of Control in Kashmir remains the most heavily fortified frontier in the world with 400 000 soldiers arrayed on either side Since partition there have been several acute crises between the neighbors including the secession of East Pakistan to form an independent Bangladesh in 1971 and the acquisition of nuclear weapons by both sides resulting in a scarcely avoided confrontation in 1999 and again in 2002 Hiro amply demonstrates the geopolitical importance of the India Pakistan conflict by chronicling their respective ties not only with America and the Soviet Union but also with China Israel and Afghanistan Hiro weaves these threads into a lucid narrative enlivened with colorful biographies of leaders vivid descriptions of wars sensational assassinations gross violations of human rights and cultural signifiers like cricket matches *The Longest August* is incomparable in its scope and presents the first definitive history of one of the world s longest running and most intractable conflicts **Studies in Intelligence** ,2018 *The Siege* Adrian Levy,Cathy Scott-Clark,2015-10-25 On 26 November 2008 four terrorists entered the Taj Mumbai and took over the hotel What followed was nearly three days of terror as the world watched the great hotel go up in flames Now comes the ultimate account of that attack Telling the stories of guests staff police and the National Security guard and piecing together transcripts of calls between the terrorists and their handlers *The Siege* takes you right into the war zone showing you what it was like to be in the Taj on those fateful days Here are the heart stopping stories of guests and staff of a couple about to celebrate their wedding a British Cypriot shipping magnate whose state of the art yacht is docked in front of the hotel and a young Taj employee who survives because of a stranger s phone call Here too are revelations about the training of the terrorists Headley s double game and the shocking incompetence of the Indian security forces Terrifying gripping and deeply moving *The Siege* is unputdownable Levy and Scott Clark bring to the table almost forensic investigative skills and a robust reputation for ferreting out the forgotten secrets of our time
