The Spirits Of Ouija Four Decades Of Communication:

The Spirits of Ouija Karen Dahlman, 2013-10 This book is my Ouija Tell All 40 year odyssey spent communicating with my spirit friends from the Great Beyond They speak of personally relevant insights spiritual knowledge and truths beneficial healing closure on grief opening to greatness developing your empowerment spiritual growth and soul evolution to name a few In *The Spirits of Ouija Four Decades of Communication* I share with the reader the unfair misconceptions Ouija has received over the years from its fall from grace of the parlor rooms of yesteryear to the forgotten dark corners of today's closets I provide the how to's the don'ts the warnings the recommendations and identify various consciousness with whom I've communicated 1 800 OUIJA4U it's basically a wireless cosmic phone and I explain how it works and how you too can use it Come read stories of animal communication specifically with the pets we love dead and alive Yes I said alive Plus you'll learn how to use Ouija to tap into your own divine guidance your Higher Self and learn to listen to this guiding principle that resides within All the while I share actual accounts from my sessions including the various entities you can meet what happens when we are dead and what happens in between lives Get ready for a phenomenal exploration into consciousness Join me as I take you behind the veil to meet my spirit friends up close and personal A whole new world is awaiting you This book is a must read

[What the Dead are Trying to Teach Us](#) Claire Broad, 2019-09-10 A fresh and thoroughly modern take on Afterlife communication Claire Broad is known as the Honest Medium in *What the Dead are Trying to Teach* Claire shares invaluable insights into life after death gained through her own experience whilst also drawing on the most up to date scientific studies on consciousness As a young child Claire experienced psychic phenomena as she grew older her experiences and the communications she received became stronger resulting in Spirit teachers making their presence known and guiding her Naturally analytical and now an adult Claire was forced to question the validity of her experiences against the common academic opinion surrounding survival after physical death and embarked upon a life long quest for the truth In her refreshingly down to earth honest and open manner Claire shares personal stories to bring comfort and hope to many whilst highlighting findings from consciousness studies that challenge our understanding of the world and encourage us to consider our true nature and full potential Claire teaches us why we may have confidence there is life after death how we can heal and awaken spiritually through the therapeutic practice of mediumship and most importantly what we can learn from those already on the other side in order to make the most of this life whilst we are here By the end of this compelling book readers will have an understanding that we all have a natural connection to the spirit world and will have gained tips and tools to deepen this connection that death is an illusion that our loved ones can visit us after their passing and that we can learn to recognise the signs that genuine mediumship is a therapeutic practice and why visiting a medium is nothing to be feared that spirit guides gently support us all that it is natural for a child to display psychic ability and what you can do to support a child that does that there is scientific research to support the validity of mediumship and psychic ability and that it

is possible to seek evidence for survival as well as keeping faith

Ghostwriting Modernism Helen Sword, 2018-05-31 Spiritualism is often dismissed by literary critics and historians as merely a Victorian fad Helen Sword demonstrates that it continued to flourish well into the twentieth century and seeks to explain why Literary modernism she maintains is replete with ghosts and spirits In *Ghostwriting Modernism* she explores spiritualism s striking persistence and what she calls the vexed relationship between mediumistic discourse and modernist literary aesthetics Sword begins with a brief historical review of popular spiritualism s roots in nineteenth century literary culture In subsequent chapters she discusses the forms of mediumship most closely allied with writing the forms of writing most closely allied with mediumship and the thematic and aesthetic alliances between popular spiritualism and modernist literature Finally she accounts for the recent proliferation of a spiritualist influenced vocabulary ghostliness hauntings the uncanny in the works of historians sociologists philosophers and especially literary critics and theorists Documenting the hitherto unexplored relationship between spiritualism and modern authors some credulous some skeptical Sword offers compelling readings of works by James Joyce T S Eliot W B Yeats H D James Merrill Sylvia Plath and Ted Hughes Even as modernists mock spiritualism s ludicrous lingo and deride its metaphysical excesses she finds they are intrigued and attracted by its ontological shiftiness its blurring of the traditional divide between high culture and low culture and its self serving tendency to favor form over content medium so to speak over message Like modernism itself Sword asserts spiritualism embraces rather than eschews paradox providing an ideological space where conservative beliefs can coexist with radical even iconoclastic thought and action
