The Stormcaller Twilight Reign 1 Tom Lloyd:

The Stormcaller Tom Lloyd,2009-12-01 In a land ruled by prophecy and the whims of Gods a young man finds himself at the heart of a war he barely understands wielding powers he may never be able to control Isak is a white eye feared and despised in equal measure Trapped in a life of poverty hated and abused by his father Isak dreams of escape but when his chance comes it isn't to a place in the army as he'd expected Instead the Gods have marked him out as heir elect to the brooding Lord Bahl the Lord of the Fahlan Lord Bahl is also a white eye a genetic rarity that produces men stronger more savage and more charismatic than their normal counterparts Their magnetic charm and brute strength both inspires and oppresses others Now is the time for revenge and the forging of empires With mounting envy and malice the men who would themselves be kings watch Isak chosen by Gods as flawed as the humans who serve them as he is shaped and moulded to fulfil the prophecies that are encircling him like scavenger birds The various factions jostle for the upper hand and that means violence but the Gods have been silent too long and that violence is about to spill over and paint the world the colour of spilled blood and guts and pain and anguish

The Grave Thief Tom Lloyd,2009-12-30 For Isak the time for heartless decisions and ruthless action has come if he is to save the Land from its oppressors Scree has been wiped from the face of the Land in a brutal demonstration of intent While those responsible scatter to work on the next step in their plan the stakes are raised all the way to the heavens as the Gods themselves enter the fray Returning home to a nation divided by fanaticism Lord Isak is haunted both by the consequences of his actions in Scree and by visions of his own impending death As the full extent of Azaer's schemes become clearer he realises prophecy and zealotry must play their part in his battle plans if there is to be any chance of surviving the coming years As a white eye Isak has had to embrace the darker parts of his own soul but now the savage religious fervour sweeping his nation must also be accepted and turned to purpose in the name of survival With the battle lines vague and allegiances uncertain the time for heartless decisions and ruthless action has come Two figures oppose Isak and his allies the greatest warrior in history who dreams of empire and Godhood and a newborn baby whose dreams have no limit
