The Upside Down Kingdom:

The Upside-Down Kingdom Donald B. Kraybill, 2018-01-12 The Upside Down Kingdom calls readers to imagine and embody the reign of God on earth as it is in heaven Since its publication in 1978 The Upside Down Kingdom won the National Religious Book Award and has become the most trusted resource on radical Christian discipleship In this completely updated anniversary edition author Donald B Kraybill asks What does it mean to follow the Christ who traded victory and power for hanging out with the poor and forgiving his enemies How did a man in first century Palestine threaten the established order and what does that mean for us today Jesus turned expectations upside down The kingdom of God is still full of surprises Are you ready Free downloadable study guide available here The Upside-down Kingdom Donald B. Kraybill, 1978 In this completely revised edition of his acclaimed book Donald B Kraybill says Jesus calls us to foster an Upside Down Kingdom favoring those suffering at society s margins The King is Jesus who wins by serving and triumphs by losing **The Upside Down Kingdom** Chris Castaldo, 2023-05-19 An Examination of the Beatitudes and Jesus s Counterintuitive Promises In our sinful world we often struggle with anxiety loneliness and heartache Everywhere we look we see broken families and divided communities How can we truly cultivate God s kingdom on earth as it is in heaven in such a broken place In the Beatitudes Matthew 5 2 12 Jesus urges us to set ourselves apart from the world living in a counterculture with a new identity rooted in him The Upside Down Kingdom examines this counterintuitive wisdom and explores its relevance for today Drawing on insights from the biblical story of redemption church fathers Reformation scholars throughout history and contemporary life this book equips and encourages readers to get their spiritual bearings in an upside down world Author Chris Castaldo ultimately points readers to the kingdom of Christ not as a set of rules but as a means of bringing peace and blessing here and now Written for Laypersons and Teachers of the Word Perfect for those interested in issues confronting the church Thorough Study of the Beatitudes Each chapter explores a core teaching in Christ s Sermon on the Mount Appeals to Pastors and Disciple Makers A historically informed biblically rich and countercultural vision of Christian life Download Study Guide Upside-Down Kingdom Donald B. Kraybill, 2011-08-01 Translated into six languages and with over 100 000 copies sold The Upside Down Kingdom continues to change people s lives In addition to a new cover this edition includes three essays by people whose lives have been inspired by the book Donald B Kraybill shows how the kingdom of God announced by Jesus appeared upside down in first century Palestine Jesus wins by serving and triumphs by losing Today God s way still looks upside down as it breaks into diverse cultures around the world According to Kraybill worldly authorities seek power and prestige but Jesus counter cultural message is a clear call to turn the social ladder upside down Jesus demonstrates radical opposition to the dominant culture by making friends with social outcasts and rebelling against authorities This message calls Christians from many cultures to actively participate in God s upside down kingdom Winner of the 1979 National Religious Book Award *The Upside-Down Kingdom* Becky Swanberg, 2024-11-19 Inspired by the words and ways of Jesus people all

around the world are seeking His kingdom every day But what does it look like to live in the world with a heart for God s kingdom Come along on a journey to discover how the kingdom of heaven is all upside down With vivid pictures flowing rhyme and rich language this book celebrates the ways that following Jesus puts you on a distinct journey marked by love joy freedom and allegiance to a king unlike any other For the young and young at heart open these pages to discover the gift of the kingdom the love of a savior and the best of his people as they follow Jesus to build something eternal incredible and wildly upside down

Pilgrim Practices Kristopher Norris,2012-03-19 Despite a wealth of literature on the missional church and missional living few resources help Christians and churches think through what it means to be disciples of Jesus Christ and what specific practices help cultivate lives of discipleship Written from with and for the church Pilgrim Practices Discipleship for a Missional Church introduces Christian practices from the Letter of James to help guide Christians and churches in their journey of discipleship This book frames discipleship in a way that has been largely abandoned in modern congregational literature as fundamentally an issue of identity an identity that is necessarily formed and practiced in and with the church community It is a lifestyle that cannot be lived on one s own Discipleship ultimately means engaging with others on a journey of faith sustained and cultivated through

certain practices pilgrim practices The practices examined in this book develop and direct the risky pilgrim journey of Christians transforming pilgrims into disciples as the Body of Christ who participate with God in God's mission in the world In this time of transient identities individualist impulses and fleeting commitments this book offers specific practices to help Christians form their identity as disciples and to help Christian communities live their calling as the pilgrim Body of Christ in the world

Subversive Jesus Craig Warren Greenfield, 2016-04-26 When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for he turned everything we know and believe about life on its head Jesus said that he came to bring good news to the poor but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice Even our churches echo society's pressure to isolate ourselves from the margins e.g. by moving to a better suburb and instead teach us how to be nice people who worship a nice Jesus and don't disrupt the status quo Convinced that Jesus places love for the poor and the pursuit of justice central Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again This is the story of how Jesus led them to the margins initiating the Pirates of Justice flash mobs sharing their home with detoxing crackheads welcoming homeless panhandlers and prostitutes to the dinner table and ultimately sparking a movement to reach the world's most vulnerable children This book is a strong and potentially controversial critique of the status quo too often found in our churches but it offers an inspirational and hopeful vision of another way While readers may not relocate to a slum they will certainly come to view their lives and ministry through a fresh lens reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence

The Upside Down Church Greg Laurie, David Kopp, 1999 The author proposes a W E L L balanced church that includes worshiping evangelizing loving and learning He underscores the importance of each of these four pillars and warns against getting any one of them out of balance with the others
