The War To End All Wars:

The War to End All Wars Russell Freedman,2015-02-24 Nonfiction master Russell Freedman illuminates for young readers the complex and rarely discussed subject of World War I The tangled relationships and alliances of many nations the introduction of modern weaponry and top level military decisions that resulted in thousands upon thousands of casualties all contributed to the great war which people hoped and believed would be the only conflict of its kind In this clear and authoritative account the Newbery Medal winning author shows the ways in which the seeds of a second world war were sown in the first Numerous archival photographs give the often disturbing subject matter a moving visual counterpart Includes source notes a bibliography and an index *The War to End All Wars* Morley Torgov,1998 **The Quote Verifier** Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes s *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain t I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain t over till the fat lady sings No one washes a rented car and Make my day Keyes s in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases *The Quote Verifier* is not only a fascinating piece of literary sleuthing but also a great read *Woodrow Wilson as Commander in Chief* Michael P. Riccards,Cheryl A. Flagg,2019-11-19 This first study on Woodrow Wilson as the commander in chief during the Great War analyzes his management style before the war his diplomacy and his battle with the Senate It considers the war as representing the collapse of Western traditional virtues and examines Wilson s attempt to restore them Emphasizing the American war effort on the domestic front it also discusses Wilson s rise to power his education career and work as governor as necessary steps in his formation The authors deal honestly and critically with the racism that characterized this brilliant but limited career *War, Memory, and the Politics of Humor* Allen Douglas,2002-05-31 A cultural history of *Le Canard Enchaîné* the famous French satirical newspaper from its founding during World War I through the 1920s **Ethics Beyond War's End** Eric Patterson,2012-03-02 The wars in Afghanistan and Iraq have focused new attention on a perennial problem how to end wars well What ethical considerations should guide war s settlement and its aftermath In cases of protracted conflicts recurring war failed or failing states or genocide and war crimes is there a framework for establishing an enduring peace that is pragmatic and moral *Ethics Beyond War s End* provides answers to these questions from the just war tradition Just war thinking engages the difficult decisions of going to war and how war is fought But from this point forward just war theory must also take into account what happens after war ends and the critical issues that follow establishing an

enduring order employing political forms of justice and cultivating collective forms of conciliation Top thinkers in the field including Michael Walzer Jean Bethke Elshtain James Turner Johnson and Brian Orend offer powerful contributions to our understanding of the vital issues associated with late and post conflict in tough real world scenarios that range from the US Civil War to contemporary quagmires in Afghanistan the Middle East and the Congo

To End All Wars Ernest Gordon,2013-11-25 Now a major motion picture starring Robert Carlyle and Kiefer Sutherland Waking from a dream I suddenly realized where I was in the Death House in a prison camp by the River Kwai I was a prisoner of war lying among the dead waiting for the bodies to be carried away so that I might have more room When Ernest Gordon was twenty four he was captured by the Japanese and forced with other British prisoners to build the notorious Railroad of Death where nearly 16 000 prisoners of war gave their life Faced with the appalling conditions of the prisoners camp and the brutality of the captors he survived to become an inspiring example of the triumph of the human spirit against all odds To End All Wars is Ernest Gordon s gripping true story behind both the Academy Award winning film The Bridge on the River Kwai starring Alec Guinness and the new film To End All Wars directed by David Cunningham
