[Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007](#) Jeff Herman, 2006-12 Presents a guide to the names and specialities of American and Canadian publishers, editors, and literary agents, including information on the acquisition process and on choosing literary agents. *Because it's all about the big picture* Ralf Schollenberger, 2023-11-21 In the midst of the Canadian mountain landscape, a stressed and permanently dissatisfied manager finds inner peace. Under the loving guidance of a wise old lady, they experience the beauty of nature and reflect on their own lives and the true meaning of contentment while observing the social behavior of a pack of wolves. The book combines the insights of successful literary works, various religions, teachings, and wisdom of primitive peoples and observations from the animal and plant world into a sensitive, comprehensible, and empathetic narrative. The story and its conclusion represent the lowest common denominator of these sources and offer the reader an inspiring guide for imitation: the eight pillars for a self-determined and contented life.
