Roehrich, 2025-10-28 In a world created for the descendants of gods where the Fae are born to serve a woman bound to the Heir of Death fights fate and desire in book 2 of bestselling Booktok sensation Melissa K Roehrich s contemporary dark romantasy Legacy Series for fans of Sarah J Maas Amber V Nicole Kaylie Smith and Rebecca Yarros No one writes emotional immersive beautiful chaos like Melissa Roehrich LJ Andrews bestselling author of The Ever Seas and Broken Souls and Bones A choice to make Tessalyn Ausra s fate has always been out of her hands Still bonded to the Heir of Endings she now finds herself with more control than ever before Everyone wants something from her and she must choose a side But in a realm full of villains she trusts no one and she has secrets of her own to keep A plan to salvage Control and knowledge have always been Theon St Orcas greatest weapons but both have slipped

through his fingers Given a task by the rulers of the realm he s racing against the clock to get his plans back on track But as myths become reality he finds himself fighting more than time in an effort to keep what s his or lose it all to fury A fate to alter Axel St Orcas has never minded rubbing shoulders with the depraved rather than the elite It s easier to hide his shame among the corrupt But with each passing day he risks triggering a curse and endangering those he cares for most He ll sacrifice anything to keep them safe even if that means giving up everything he is Who will be left standing when Chaos comes to reign

Head Count David M. Hilinski,2021-09-13 The world has been changing for millions of years Times we can only see through the writers of history and stories passed on from generation to generation along with the physical ruins left behind While the human race has evolved and excelled in technology through time so have those who drift within the shadows Wars have been fought lands conquered and people enslaved One conflict one struggle for ultimate power over all has been quietly smoldering within the dark reaches of the earth for thousands of years Some walk among us they are rumored to be nearly invincible superior to all creatures that inhabit our world With strength that surpasses the world s strongest of warriors these bloodthirsty fanged humanlike beings are now coming out of the shadows to take what they believe should have been theirs from the beginning Among one of the world s largest most secretive military operations one soldier finds himself captured in a facility controlled by the fanged monsters Without his memory fully intact confusion and what might be more than a coincidence James finds himself escaping his captors with one of their own Now known as a traitor Tessa has defected from the Collective and deep rooted feelings and emotions that have been suppressed almost to the point of extinction are resurrected through James s eyes While the highly organized and well equipped vampires decide to show their full strength to the world the Collective sends out a group of their deadliest assassins to hunt down James and Tessa The hunt takes them all to new levels of self awareness and one ultimate goal to survive Around the world the war on humanity is brought to light and begins to change the history books as well as mankind s misplaced self righteousness

Internationalisation of African Higher Education

Chika Sehoole,Jane Knight,2013-10-30 The role of higher education especially the international dimension is given little importance in the discourse on achieving the Millennium Development Goals MDGs in Africa This book aims to change that The potential of higher education s contribution to Africa s development remains unrealized and often misunderstood In

today's globalised world which prioritises economic growth through liberalised trade and competitive market strategies much emphasis has been placed on higher education's ability to produce graduates to serve the labour market and produce new knowledge for the knowledge economy While these are important contributions the book argues that international higher education and new knowledge must go beyond economic purposes and serve the human and social development needs of the continent It is against this background that the African Network for the Internationalisation of Education ANIE undertook research on the international dimension of higher education in Africa and its role in the achievement of the MDGs Through empirical research seven case studies address how international and regional higher education programmes and policies in African universities can address MDG priorities of promoting gender equality and women's empowerment combating HIV/AIDS and establishing global partnerships for development through academic mobility joint research initiatives curriculum innovation and policy development House documents, 1895 *Tally Ho!* Helen Mathers, 1906
