**Loose-Leaf for Strategic Management** Frank T. Rothaermel, 2020-01-29 Strategic Management 5e by Frank T Rothaermel is the fastest growing Strategy title in the market because it uses a unified singular voice to help students synthesize and integrate theory empirical research and practical applications with current real world examples His approach not only offers students a learning experience that uniquely combines rigor and relevance but also provides tight linkage between the concepts and cases Rothaermel 5e prepares students with the foundation they need to understand how companies gain and sustain competitive advantage while developing students skills to become successful future leaders capable of making well reasoned strategic decisions *Foundations In Strategic Management* Jeffrey S.

Harrison, 2014 *Opportunity* Donald Morris, 2013-05-28 Donald Morris s Opportunity considers choices that promise a significant change in the life of the person making the choice Morris s survey of the literature is wide ranging in terms of both literary sources and topics considered thus offering insights to a variety of readers Elizabeth R Eames Professor Emerita Philosophy Department Southern Illinois University Author of two books on Bertrand Russell s philosophy Can you recognize an opportunity when it comes your way Even though the concept seems fairly basic most people harbor regrets about missed opportunities that in retrospect might have significantly improved their lives This book will give you the critical tools to sort through the complexities that often obscure the perception of an opportunity and help you take full advantage of what author Donald Morris calls high end opportunities pivotal situations that can change your life for the better Morris begins by developing a model of opportunity in the abstract analyzing its elements and the contexts and frameworks that affect our recognition of opportunities Drawing from a wide range of applications including investing business law criminology

gambling and even religion he shows how opportunities can be defined in various contexts He also examines highly undesirable situations where opportunity is lacking such as poverty and historical instances of slavery to further illustrate by way of contrast the defining characteristics of opportunity How does a significant opportunity differ from a simple option How does taking advantage of opportunities differ from being an opportunist Does our ability to predict the future affect our opportunities What do we mean by equality of opportunity By addressing these and other probing questions Morris shows how to develop more critical perceptions of real opportunities Donald Morris CPA Ph D is professor of accounting and chair of the Accounting Finance and CIS Department at Eastern New Mexico University The former owner of an accounting firm and a onetime instructor of philosophy he is the author of *Dewey and the Behavioristic Context of Ethics*
