

MODERN PHYSICS

The background of the cover is a dark blue gradient. It features a complex, abstract pattern of glowing lines and spheres. The lines are primarily green and yellow, with some blue and red accents. They form a dense, interconnected web that suggests a network or a complex physical system. There are several large, semi-transparent spheres in shades of blue and green, some of which appear to be composed of smaller, glowing particles. The overall effect is one of dynamic energy and scientific exploration.
