Part A – Everyone must complete this section to get either SNAP or FIP.

Part B – SNAP: This program helps you buy food for good health.

Part C – FIP or RCA: FIP provides temporary cash assistance to children and families. The Family Investment Program is also known as Temporary Assistance for Needy Families (TANF). Refugees who do not get FIP may get Refugee Cash Assistance

You can turn in your application by mail or email or fax or drop it off at any local DHS office.

If mailing application, use this address:

If faxing application, use this number:

The date we receive Page 3 with your name, address, and signature is your application date. This starts the time we have to work on your application. It is also the date your SNAP may start.

An interview will be set up for you if you need to have one. The interview will likely be held over the phone. There is information we must verify before we can process your application. You will be given time to provide that information. If you can't get proof of the information, you can ask DHS to help you get the information. Before we can process your application, we may ask for proof of the following:

- Your identity, as well as the people who are applying for benefits. Examples of that proof include: a driver's license, social security card, or alien documentation card.
- That you and the people you are applying for are U.S. citizens or nationals.
- The money you have gotten in the last 30 days such as check stubs, self-employment records, child support payment printouts, or award letters (such as disability benefits, Veterans benefits or financial aid).
- Assets you have, such as bank accounts, trust accounts, stocks, or bonds.
- Expenses you have, such as shelter, utilities, day care, and child support.

Information About Immigration Status

You can apply for part of your household even if some members do not have lawful immigrant status. For example, parents who do not have lawful immigrant status may apply for their children who are U.S. citizens or qualified lawful immigrants. You need to give proof of immigration status or U.S. citizenship for each person in your household for whom you apply.

Your household's alien status may be checked with the United States Citizenship and Immigration Services (USCIS). Any information we get from USCIS may affect your household's benefits. We will not contact the Citizenship and Immigration Service about the people you don't apply for. However, we may use their income and assets to see if the rest of the household can get help.
