Question 1 of 20

Based on the narrator's account of his thoughts and actions in the story, indicate whether you think he is a guilty, evil murderer or an innocent man plagued by mental illness.

Excellent! Great learning power

How only concerned about his own personal feelings. His description of the old man is unemotional. The only expression of feelings is about his own fear. Everything he does is impulsive, and only for his own needs. He is not innocent. He is a narcissistic psychopath who was aware of what he was doing, and experienced no guilt for his actions.

Excellent! The story indicates a guilty murderer.
