

Computational Methods for Engineers
with MATLAB applications

James B. Riggs

The cover features a dark blue background with a complex, abstract graphic design. The design consists of several overlapping, curved, and wavy lines that create a sense of depth and movement. The lines are rendered in a light blue or white color, and some areas are filled with a fine grid pattern, suggesting a mesh or a computational domain. The overall aesthetic is technical and modern, consistent with the book's focus on computational methods.
