About the Novel *Julius Caesar*: imagines the true events surrounding the titular character's downfall. Beware the Ides of March: A warning given to Caesar but not followed. Caesar has risen to power, Rome is prospering. However, some of the other senators are not happy. They believe Caesar is drunk with power. They believe Rome would be better with someone else in charge. Their greed leads to the formation of a plot to overthrow Caesar. Led by Cassius, the conspirators know they need Brutus on their side. With manipulation, they succeed and the horrible deed is done. What happens after this betrayal is a struggle for power between two sides: one side that of the conspirators, the other of Marc Antony and Octavius, who have managed to turn the Romans against Brutus and the others. This struggle culminates into a war where only one ruler will rise to control Rome.

English Language Arts, Grade 12 Module 2 PCG Education, 2015-12-18. Paths to College and Career: Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception, blended learning experiences for teachers and leaders that enrich and extend the learning, a train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.
