trust How successful people bring a skill or business to excellence and then take those skills to build more and more skills
The fundamentals of all the skills that people have paid me to use including the technical ones that landed me a job as CTO of
a bank with nine figures of assets under management before age 40 I wasn't originally going to edit the book myself because
the editor I hired is a better writer than I am but the book is about attention to detail so it made a lot more sense to edit it
myself to prove it After printing I found two mistakes so far so if that's your thing to count mistakes then here's your chance
The first person to read this book finished this 32 000 word book in 90 minutes while holding a conversation with me The
world's fastest reader read it in 90 seconds while on the show Between the two of them they've read roughly 38 000 books
and they both liked it so the odds are very good that you'll like it too *Guitar World Presents John Petrucci's Wild
