Pogue,2022-04-15 In *The Nature of the Religious Right* Neall W Pogue examines how white conservative evangelical Christians became a political force known for hostility toward environmental legislation Before the 1990s this group used ideas of nature to help construct the religious right movement while developing theologically based eco friendly philosophies that can be described as Christian environmental stewardship On the twentieth anniversary of Earth Day in 1990 members of this conservative evangelical community tried to turn their eco friendly philosophies into action Yet this attempt was overwhelmed by a growing number in the leadership who made anti environmentalism the accepted position through public ridicule conspiracy theories and cherry picked science Through analysis of rhetoric political expediency and theological imperatives *The Nature of the Religious Right* explains how ideas of nature played a role in constructing the conservative evangelical political movement why Christian environmental stewardship was supported by members of the community for so long and why they turned against it so decidedly beginning in the 1990s *Stalking Darkness* Lynn Flewelling,2010-11-17 With the Leran threat laid to rest Alec and Seregil are now able to turn their attention to the ancient evil which threatens their land The Plenimarans at war with Skalans have decided to defeat their ancient enemy by raising up the Dead God Seriamaius The early attempts at this reincarnation masterminded by the sinister Duke Mardus and his sorcerous minion Vargul Ashnazai once left Seregil in a sorcerous coma Now an ancient prophecy points to his continuing role in the quest to stop Mardus in his dread purpose Seregil s friend and Mentor the wizard Nysander has long been the guardian of a deadly secret In a secret silver lined room hidden well beneath the Oreska

he has served for most of his 300 years as the keeper of a nondescript clay cup But this cup combined with a crystal crown and some wooden disks forms the Helm of Seriamaius and any mortal donning the reconstructed Helm will become the incarnation of the god on earth Nysander holds the cup and Mardus the wooden disks one of which was responsible for Seregil s coma but the crown must still be located Threatened under pain of death by Nysander to keep his quest a secret even from his loyal companion Alec Seregil is dispatched to find the last missing piece of the Helm so that he and Nysander can destroy it But this is only the beginning of one of his deadliest journeys ever for the prophecy also holds that four will come together in a time of darkness and gradually all that Seregil values is placed at risk as he Alec Nysander and Micum are drawn into a deadly web of terror and intrigue
