'Great location and service'

Located in the heart of the city, the Park Central New York is in easy walking distance of Carnegie Hall, Broadway and the Museum of Modern Art (MOMA). Central Park is only three blocks away and Fifth Avenue, with its international boutiques and huge department stores, is only a ten-minute walk from the hotel. For guests who want to travel further away, there are seven subway lines located within three blocks of the hotel.

The Park Central New York offers great service, great comfort and great value. The hotel's bistro, 'Cityhouse', provides the perfect setting for dinner before a concert or a Broadway show in the evening. Guests can enjoy the reasonably priced set menu while watching the world go by on Seventh Avenue through the bistro's oversized windows. There's also a bar in the lobby where guests can enjoy a cocktail after the show.

Because of its central location, the Park Central New York is the ideal hotel for tourists visiting the city for the first time. Our multi-lingual staff on the front desk are always happy to provide tour assistance and answer any questions guests may have.
