Love Thy Neighbor II Alice Crocker, 2020-11-05 Love Thy Neighbor II the sequel to Love Thy Neighbor will lead you to fall in love with people the media has told you are enemies The stories show the delight of not taking oneself too seriously and how that frees friends from your host country to laugh with you and thus bond your hearts forever They're mostly Muslims they'll hate you was the dire warning given to the author before she embarked upon the adventure that would change her life Time disproved that and many other negative predictions In this world of East versus West or Christian versus Muslim mentalities the real life experiences of ESL English as a Second Language teacher Alice Crocker disprove much of what many people expect when they become full time residents in a country culture or even religious environment that is not their own With endearing earthy wit infinite delight in her experiences even the embarrassing ones and most of all deep abiding love and respect Alice's true stories prove that friendship knows no bounds and that of being a fish out of water can be the most humbling instructional and meaningful experience of all Be encouraged to fully entrust your life to God because a joyous adventure awaits and open your heart to people who are foreign as individuals not stereotypes Because in the scope of creation and journeying through this temporary world with all its joy and promise struggle and uncertainty Alice and her beloved Indonesian friends students and colleagues prove that we are all in this together

OPEN/ Pierre's journey after

war Margareth Stewart ,2021-01-28 OPEN Pierre s Journey after War is an intimate story of a man whose wife and children are killed during bombardments of France in WWII Devastated and embittered Pierre leaves everything behind and embarks on an odyssey to bury his past in the darkest recesses of his mind The journey which lasts more than forty years involves a sequence of events and coincidences that ultimately provide him new direction and a sense of purpose Pierre feels at home in moving from place to place When his mission in a specific village or town is accomplished he wanders once again observing and savouring whatever life offers His activities are circumstantial and unpredictable Intuitively he remains on the move to reconcile his past while his future stands still He returns to France an old man On a day on a walk past vineyards near his former home Pierre is offered a lift by a couple whose absurd whimsical presence vividly contrasts with whatever solemn tranquillity he d found through his consequential journey and search for redemption Pierre for the first time is inspired to speak of his past
