Downloading

BASCOM AVR is available for download from several locations. Two that I will mention are the MCS Electronics site, http://www.mcselec.com/download_avr.htm . Also, you will find the user manual available on those same pages. I performed this installation on a computer running a 2 Ghz Celeron processor with Windows XP as the operating system.

Unzipping
Start by creating a folder on your desktop named 'bascom.' Download all six of the files (each labeled bcavrd 1.zip, bcavrd 2.zip, etc) into the bascom folder you created on your desktop. After all of the files have been successfully downloaded, unzip the files into the same folder.
Installing
Open the unzipped folder bcavrd 1 and click the setup icon. You may get a warning for the digital signature validation.
