The Sustainable Side Hustle: Finding the Best Online Work and Building a Business That Makes a Difference

S.A.Maas,2026-02-22 Tired of side hustles that burn you out Discover how to build an online business that pays your bills and aligns with your values The Sustainable Side Hustle is your guide to creating meaningful work that fuels you not drains you turning your skills into income that makes a difference Stop grinding start building a life and legacy you love **AARP®**

Crash Course in Finding the Work You Love Samuel Greengard,2011-02-01 Boomers reinvented society Now they re reinventing themselves and AARP wants to facilitate that process AARP Crash Course in Finding the Work You Love explores both the motivations and the methods of those taking part in the social phenomenon known as recareering Whether they are old enough to have earned their AARP card or not a new generation of American workers is no longer counting the days until retirement instead they re seeking greater fulfillment in their personal lives by tackling new and often much more socially significant work Switching careers is a challenge at any age yet boomers may have more to overcome than their younger counterparts They must beef up their education or seek out retraining cope with seismic lifestyle shifts such as less income and a new circle of friends and reconcile themselves to the fact that even the most rewarding position is no panacea for life s problems Author Sam Greengard brings a wealth of knowledge to this timely topic Since 1981 he has written about career issues for publications as diverse as The Chicago Tribune Family Circle The Los Angeles Times MSNBC MSN Online Wired and Workforce Management Here Greengard shows readers how to sort out their feelings about their existing career successfully transition to a new one and work toward a greater sense of balance in their daily lives Profiles of recareering veterans show how others have attained their own goals These are rounded out by tips quizzes worksheets how to sidebars and other practical resources With this handbook to guide them readers of any age can finally make the leap to finding the life s work they will truly love **Clothes the Deal** Jenn Mapp Bressan,2019-04-02 Closet size doesn t matter A stylist s

guide to creating a powerful look with a ruthless wardrobe edit ten essential garments and brilliant accessories Whether it s at a conference table or a videoconference personal style matters in the business world A well dressed woman conveys authority and confidence critical traits for leading a team and driving revenue Clothes the Deal shows women that enviable personal style isn t just for millennials and celebrities it s a skill they are more than qualified to master and they don t need an overstuffed walk in closet to do it Personal stylist and closet coach Jenn Mapp Bressan explains why closet size doesn t matter the surprising places you store closet fat how to eliminate it for good the ten garments women need to create an endless wardrobe and more Featuring a foreword by the wildly talented and successful Christian Siriano this handbook shows how to master a creative authentic look for work and play that you can depend on for decades **Reconnect** Ed Cyzewski,2020-06-02 Protect your time Prioritize relationships Restore your spirit Technology teaches us to crave the hum and buzz of activity and the dopamine hit of notifications Yet social media and technology have shortened our attention spans

disrupted our connections with others and even muddled our spirituality In Reconnect contemplative author and retreat leader Ed Cyzewski investigates the crisis of attention that is leading to mental health challenges and extending to our souls Yet the Christian contemplative tradition deeply rooted in the spiritual traditions and practices of the church offers a way forward grinding the gears of this frenetic activity and thinking to an unspectacular halt For all its benefits and promises technology trains its users to pursue the exact opposite of contemplative prayer practices every day claims Cyzewski Grounded in current research into the impact of technology Reconnect helps Christians rewire their technology addictions and train themselves to be present and aware of God rather than tuned into the constant distractions and deceptions of this digital age When phones go dark and social media feeds stop scrolling can we step into a deeper stillness and presence with an always present God

Library Journal, 1982-07 **Building Your Own Capsule Wardrobe**
Pat Sgambati, 2021-08-24

Capsule wardrobes are about personal style, but they are also a more mindful and sustainable way to think about clothing. Fast fashion and our consumerist culture have tricked us into believing that we must own everything, and the result is a stuffed closet full of clothes that we may never wear. While capsule collections originally produced an air of exclusivity and a designer's artistic expression, most of the individuals who have now become capsule wardrobe experts got into the game because they are tired of decision fatigue and also because they want to be more sustainable. Capsule wardrobes push us to think more about whether we truly need each piece in our closet. Buy less, wear more, and find high quality—that's the motto here. This guide will cover the most basic steps of creating a capsule wardrobe, as well as the benefits of the idea. Items covered will include things that some may prefer to skip, while others will spend a long time pondering how to best go about this, that, or the other. The perfect capsule wardrobe will change from person to person, and no one can tell you otherwise.
