

# MODULE 12

## VALUE ADDED TAX (VAT)

### NOTE TO THE TEACHER:

The principles of VAT were introduced and discussed in Grade 10. Before proceeding with this Module you need to assess the learners' prior knowledge to ensure that they have the basic skills and knowledge to continue with Grade 11 work.

Therefore, the first Task is a baseline assessment and this will give you the required information as to whether you can continue with the Grade 11 work or go back to the Grade 10 book to cover missing skills and knowledge.

Take note that learners are not required to complete VAT entries in the journals, and the ledger accounts are only covered in Grade 12. Grade 10 was an introduction and this year, the emphasis is on the calculations using the invoice basis.

### TASK 12.1 SARS and VAT: Baseline assessment

We suggest that you divide learners into pairs and allow them to role-play an interview in which they each give answers to the questions listed below. Allow them to assess each other to determine the prior knowledge.

#### Peer Assessment Form

Each learner is to assess their partner based on the fact whether they understand the explanations given to them.

CRITERIA	YES – shows understanding	NO – lacks knowledge
Reasons why the South African government levies taxes.		
Name and briefly discuss at least 5 different forms of tax levied in South Africa.		
Understands that VAT is levied on goods and services in this country.		
Understands that VAT is recorded against all sales.		
Understands that VAT is recorded against most purchases.		
Understands that the amount due to SARS or reclaimed is a difference between VAT on collected from customers (such as sales) and VAT paid to suppliers for goods and services purchased (claimed back).		
Can distinguish between standard, zero-rated and exempted items.		
Understands which vendors have to register as a VAT vendor.		
Understands that some vendors might voluntary register for VAT.		

#### Note to Teacher:

Learners should use their own assessment form to fill in the missing details in their knowledge and / or skills—they can be referred back to the Grade 10 book or you might have to re-teach all or some aspects, depending on the class's responses to the assessment Task.
